Dear Mr. Peck:

Your revised proposal dated March 11, 2011 for Additional Services for the referenced project is hereby approved.

In accordance with Exhibit B, Paragraph B.4 of the 2010 Agreement, you shall be compensated the not-to-exceed amount of \$142,570.00 for Drilling a Horizontal Well. Crew Mobilization, Tooling and Setup are included as a fixed lump sum.

Please note, if the Hydrogeologist considers it necessary to make significant changes in the well drilling program, he shall request approval from the Professional. The Professional and/or its civil Engineer should promptly make its recommendation to the Department, who shall review and will authorize the change. Small changes in the program, such as a small adjustment of the drilling length, may be authorized by the Hydrogeologist.

Payment will be made on the basis of actual work performed in accordance with your approved proposal. Invoices must be supported by a breakdown including staff names, rates, hours, dates worked, and tasks performed in accordance with the E/A Project Procedure Manual, subject to reimbursable expense receipts. Reimbursables cannot exceed current state rates. See attached checklist information regarding invoicing procedures for proper processing.
