Hi Nancy-

I spoke with Robert Bowman, Vice President of R.C. Bowman Inc., and the reduction in the tonnage amount from 2500 tons to 2267 tons is acceptable for McGeorge Road in Moshannon SF. Thank you, Tammy

Tammy,

Your company was low bidder at yesterday's bid opening for Bid #6100020183 (DSA on McGeorge Road in Moshannon State Forest).

Due to budget constraints the Bureau of Forestry would like to reduce the tonnage amount from 2,500 tons to 2,267 tons, which would make the total amount of the contract \$54,997.42.

Please let us know if that is agreeable to you.

Thank you.
