 - 3) The request for relief and supporting evidence must be received by the Issuing Office within three (3) business days after Bid opening, but before award of the contract.
 - 4) The Issuing Office shall not permit a Bid withdrawal if the Bid withdrawal would result in the award of the contract on another Bid of the same Bidder, its partner, or a corporation or business venture owned by or in which the bidder has a substantial interest.

- d. Firm Bid. Except as provided above, a Bid may not be modified, withdrawn, or cancelled by any Bidder for a period of sixty (60) days following the time and date designated for Bid opening, unless otherwise specified by the Bidder in its Bid. If the lowest responsible Bidder, as determined by the Issuing Office, withdraws its Bid prior to the expiration of the award period or fails to comply with the requirements set forth in the IFB including but not limited to any requirement to submit performance or payment bonds or insurance certificates within the required time period, the Bidder shall be liable to the Commonwealth for all costs and damages associated with the re-award or re-bid including the difference between the Bidder's price and the actual cost that the Commonwealth pays for the awarded items.
- e. Clarification and Additional Information. After the receipt of Bids, the Issuing Office shall have the right to contact Bidders for the purpose of seeking:
- 1) Clarification of the Bid which confirms the Issuing Office's understanding of statements or information in the Bid or;
 - 2) Additional information on the items offered; provided the IFB does not require the rejection of the Bid for failure to include such information.

When an order is placed by telephone, the Commonwealth agency shall provide the agency name, employee name, credit card number, and expiration date of the card. Contractors agree to accept payment through the use of the Commonwealth Purchasing Card.

V.7 CONTRACT-006.1 Independent Prime Contractor (Oct 2006)

In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth. The Contractor will be responsible for all services in this Contract whether or not Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

V.8 CONTRACT-007.01b Delivery of Services (Nov 30 2006)

The Contractor shall proceed with all due diligence in the performance of the services with qualified personnel, in accordance with the completion criteria set forth in the Contract.

V.9 CONTRACT-007.02 Estimated Quantities (Nov 30 2006)

It shall be understood and agreed that any quantities listed in the Contract are estimated only and may be increased or decreased in accordance with the actual requirements of the Commonwealth and that the Commonwealth in accepting any bid or portion thereof, contracts only and agrees to purchase only the materials and services in such quantities as represent the actual requirements of the Commonwealth. The Commonwealth reserves the right to purchase materials and services covered under the Contract through a separate competitive procurement procedure, whenever Commonwealth deems it to be in its best interest.

V.10 CONTRACT-008.1a Warranty. (Oct 2006)

The Contractor warrants that all items furnished and all services performed by the Contractor, its agents and subcontractors shall be free and clear of any defects in workmanship or materials. Unless otherwise stated in the Contract, all items are warranted for a period of one year following delivery by the Contractor and acceptance by the Commonwealth. The Contractor shall repair, replace or otherwise correct any problem with the delivered item. When an item is replaced, it shall be replaced with an item of equivalent or superior quality without any additional cost to the Commonwealth.

V.11 CONTRACT-009.1c Patent, Copyright, and Trademark Indemnity (Oct 2006)

The Contractor warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of the Contract which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the Commonwealth under the contract.

The Contractor shall defend any suit or proceeding brought against the Commonwealth on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of the Contract.

This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same.

As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action.

If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.

The Contractor shall indemnify and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Contractor or the Commonwealth may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of the Contract.

If any of the products provided by the Contractor in such suit or proceeding are held to constitute infringement and the use is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no longer infringing.

If the Contractor is unable to do any of the preceding, the Contractor agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the purchase of the product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Contractor under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Contractor without its written consent.

V.12 CONTRACT-009.1d Ownership Rights (Oct 2006)

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Contract.

V.13 CONTRACT-010.1a Acceptance (Oct 2006)

No item(s) received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the item(s). Any item(s) which is discovered to be defective or fails to conform to the specifications may be rejected upon initial inspection or at any later time if the defects contained in the item(s) or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection. It shall thereupon become the duty of the Contractor to remove rejected item(s) from the premises without expense to the Commonwealth within fifteen (15) days after notification. Rejected item(s) left longer than fifteen (15) days will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the item(s). Upon notice of rejection, the Contractor shall immediately replace all such rejected item(s) with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth shall then have the right to procure a corresponding quantity of such item(s), and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

V.14 CONTRACT-011.1a Compliance With Law (Oct 2006)

The Contractor shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Contract.

V.15 CONTRACT-013.1 Environmental Provisions (Oct 2006)

In the performance of the Contract, the Contractor shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations, including, but not limited to: the Clean Streams Law Act of June 22, 1937 (P.L. 1987, No. 394), as amended 35 P.S. Section 691.601 et seq.; the Pennsylvania Solid Waste Management Act, Act of July 7, 1980 (P.L. 380, No. 97), as amended, 35 P.S. Section 6018.101 et seq.; and the Dam Safety and Encroachment Act, Act of November 26, 1978 (P.L. 1375, No. 325), as amended, 32 P.S. Section 693.1.

V.16 CONTRACT-014.1 Post-Consumer Recycled Content (Oct 2006)

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Contract must meet the minimum percentage levels for total recycled content as specified on the Department of General Services website at www.emarketplace.state.pa.us on the date of submission of the bid, proposal or contract offer.

V.17 CONTRACT-014.3 Enforcement (Oct 2006)

The Contractor may be required, after delivery of the Contract item(s), to provide the Commonwealth with documentary evidence that the item(s) was in fact produced with the required minimum percentage of post-consumer and recovered material content.

V.18 CONTRACT-015.1 Compensation (Oct 2006)

The Contractor shall be required to furnish the awarded item(s) at the price(s) quoted in the Purchase Order. All item(s) shall be delivered within the time period(s) specified in the Purchase Order. The Contractor shall be compensated only for item(s) that are delivered and accepted by the Commonwealth.

V.19 CONTRACT-015.2 Billing Requirements (Dec 5 2006)

The Contractor shall include in all of its invoices the following minimum information:

- Vendor name and "Remit to" address, including SAP Vendor number;
- Bank routing information, if ACH;
- SAP Purchase Order number;
- Delivery Address, including name of Commonwealth agency;
- Description of the supplies/services delivered in accordance with SAP Purchase Order (include purchase order line number if possible);
- Quantity provided;
- Unit price;
- Price extension;
- Total price; and
- Delivery date of supplies or services.

If an invoice does not contain the minimum information set forth in this paragraph, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

Contractors are required to establish separate billing accounts with each using agency and invoice them directly. Each invoice shall be itemized with adequate detail and match the line item on the Purchase Order. In no instance shall any payment be made for services to the Contractor that are not in accordance with the prices on the Purchase Order, the Contract, updated price lists or any discounts negotiated by the purchasing agency.

V.20 CONTRACT-016.1 Payment (Oct 2006)

- a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Contract; (b) thirty (30) days after a proper invoice actually is received at the "Bill To" address if a date on which payment is due is not specified in the Contract (a "proper" invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by

(a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Contractor agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor or its subsidiaries to the Commonwealth against any payments due the Contractor under any contract with the Commonwealth.

- b. The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Contract or Purchase Order. The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Contractor will be required to pay and the Contractor will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Contractor. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Contractor or any other charges incurred by the Contractor, unless specifically stated in the terms of the Contract or Purchase Order.

V.21 CONTRACT-016.2 ACH Payments (Aug 2007)

- a. The Commonwealth will make contract payments through the Automated Clearing House (ACH). Within 10 days of award of the contract or purchase order, the contractor must submit or must have already submitted their ACH information within their user profile in the Commonwealth's procurement system (SRM).
- b. The contractor must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth of Pennsylvania's ACH remittance advice to enable the contractor to properly apply the state agency's payment to the invoice submitted.
- c. It is the responsibility of the contractor to ensure that the ACH information contained in SRM is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

V.22 CONTRACT-017.1 Taxes (Dec 5 2006)

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

V.23 CONTRACT-018.1 Assignment of Antitrust Claims (Oct 2006)

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by the Contractor's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all right, title and interest in and to any claims the Contractor now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Contract.

V.24 CONTRACT-019.1 Hold Harmless Provision (Nov 30 2006)

- a. The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Contract, provided the Commonwealth gives Contractor prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.
- b. Notwithstanding the above, neither party shall enter into any settlement without the other party's written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

V.25 CONTRACT-020.1 Audit Provisions (Oct 2006)

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Contractor to the extent that the books, documents and records relate to costs or pricing data for the Contract. The Contractor agrees to maintain records which will support the prices charged and costs incurred for the Contract. The Contractor shall preserve books, documents, and records that relate to costs or pricing data for the Contract for a period of three (3) years from date of final payment. The Contractor shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

V.26 CONTRACT-021.1 Default (Dec 12 2006)

- a. The Commonwealth may, subject to the Force Majeure provisions of this Contract, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in the Termination Provisions of this Contract) the whole or any part of this Contract or any Purchase Order for any of the following reasons:
 - 1) Failure to begin work within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 2) Failure to perform the work with sufficient labor, equipment, or material to insure the completion of the specified work in accordance with the Contract or Purchase Order terms;
 - 3) Unsatisfactory performance of the work;
 - 4) Failure to deliver the awarded item(s) within the time specified in the Contract or Purchase Order or as otherwise specified;
 - 5) Improper delivery;

- 6) Failure to provide an item(s) which is in conformance with the specifications referenced in the Contract or Purchase Order;
 - 7) Delivery of a defective item;
 - 8) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
 - 9) Discontinuance of work without approval;
 - 10) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
 - 11) Insolvency or bankruptcy;
 - 12) Assignment made for the benefit of creditors;
 - 13) Failure or refusal within 10 days after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
 - 14) Failure to protect, to repair, or to make good any damage or injury to property;
 - 15) Breach of any provision of the Contract;
 - 16) Failure to comply with representations made in the Contractor's bid/proposal; or
 - 17) Failure to comply with applicable industry standards, customs, and practice.
- b. In the event that the Commonwealth terminates this Contract or any Purchase Order in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, items similar or identical to those so terminated, and the Contractor shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical items included within the terminated part of the Contract or Purchase Order.
- c. If the Contract or a Purchase Order is terminated as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Contractor to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such partially completed items, including, where applicable, reports, working papers and other documentation, as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract or Purchase Order as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Contract price. Except as provided below, payment for partially completed items including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Contractor and Contracting Officer. The Commonwealth may withhold from amounts otherwise due the Contractor for such completed or partially completed works, such sum as the Contracting Officer determines to be necessary to protect the Commonwealth against loss.
- d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

- e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- f. Following exhaustion of the Contractor's administrative remedies as set forth in the Contract Controversies Provision of the Contract, the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

V.27 CONTRACT-022.1 Force Majeure (Oct 2006)

Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Contractor shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect to cancel the Contract, cancel the Purchase Order, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract or Purchase Order.

V.28 CONTRACT-023.1a Termination Provisions (Oct 2006)

The Commonwealth has the right to terminate this Contract or any Purchase Order for any of the following reasons. Termination shall be effective upon written notice to the Contractor.

- a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for its convenience if the Commonwealth determines termination to be in its best interest. The Contractor shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Contractor be entitled to recover loss of profits.
- b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract or a Purchase Order. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under the Contract. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid for any appropriations available for that purpose.
- c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Contract or a Purchase Order for Contractor default under Default Clause upon written notice to the Contractor. The Commonwealth shall also have the right, upon written notice to the Contractor, to terminate the Contract or a

Purchase Order for other cause as specified in the Contract or by law. If it is later determined that the Commonwealth erred in terminating the Contract or a Purchase Order for cause, then, at the Commonwealth's discretion, the Contract or Purchase Order shall be deemed to have been terminated for convenience under the Subparagraph a.

V.29 CONTRACT-024.1 Contract Controversies (Oct 2006)

- a. In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the contracting officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.
- b. The contracting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the contracting officer and the Contractor. The contracting officer shall send his/her written determination to the Contractor. If the contracting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The contracting officer's determination shall be the final order of the purchasing agency.
- c. Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract.

V.30 CONTRACT-025.1 Assignability and Subcontracting (Oct 2006)

- a. Subject to the terms and conditions of this paragraph, this Contract shall be binding upon the parties and their respective successors and assigns.
- b. The Contractor shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- c. The Contractor may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- d. Notwithstanding the foregoing, the Contractor may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Contract.
- e. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

- f. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- g. A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Contractor shall give the Contracting Officer written notice of any such change of name.

V.31 CONTRACT-026.1 Other Contractors (Oct 2006)

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees, and coordinate its work with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This paragraph shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this paragraph as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

V.32 CONTRACT-027.1 Nondiscrimination/Sexual Harassment Clause (Aug 2010)

The Contractor agrees:

1. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract on account of gender, race, creed, or color.
3. The Contractor and each subcontractor shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.
4. The Contractor and each subcontractor shall not discriminate by reason of gender, race, creed, or color against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
5. Those contractors who have fewer than five employees or whose employees are all from the same family or who have completed the Form STD -21 within the past 12 months may, within the 15 days, request an exemption from the Form STD -21 submission requirement from the contracting agency.

6. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.

7. The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

Such notification shall be made within 15 days of the date of suspension or debarment.

4. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.

The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. The Contractor agrees that any such court shall have in personam jurisdiction over it, and consents to service of process in any manner authorized by Pennsylvania law.

V.38 CONTRACT- 034.1b Integration (Nov 30 2006)

This Contract, including the Invitation for Bids, the Contractor's bid, all referenced documents, and any Purchase Order constitutes the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Contractor has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Contract, which in any way can be deemed to modify, add to or detract from, or otherwise change or alter its terms and conditions. No negotiations between the parties, nor any custom or usage, shall be permitted to modify or contradict any of the terms and conditions of the Contract. No modifications, alterations, changes, or waiver to the Contract or any of its terms shall be valid or binding unless accomplished by a written amendment signed by both parties.

V.39 CONTRACT-034.2b Order of Precedence - IFB (Dec 6 2006)

V.40 CONTRACT-034.3 Controlling Terms and Conditions (Aug 2011)

The terms and conditions of this Contract shall be the exclusive terms of agreement between the Contractor and the Commonwealth. All quotations requested and received from the Contractor are for obtaining firm pricing only. V.41 CONTRACT-035.1a Changes (Oct 2006)

The Commonwealth reserves the right to make changes at any time during the term of the Contract or any renewals or extensions thereof: 1) to increase or decrease the quantities resulting from variations between any estimated quantities in the Contract and actual quantities; 2) to make changes to the services within the scope of the Contract; 3) to notify the Contractor that the Commonwealth is exercising any Contract renewal or extension option; or 4) to modify the time of performance that does not alter the scope of the Contract to extend the completion date beyond the Expiration Date of the Contract or any renewals or extensions thereof. Any such change shall be made by the Contracting Officer by notifying the Contractor in writing. The change shall be effective as of the date of the change, unless the notification of change specifies a later effective date. The Contractor agrees to provide the service in accordance with the change order. Any dispute by the Contractor in regard to the performance required by any notification of change shall be handled through Contract Controversies Provision.

V.42 CONTRACT-036.1 Background Checks (Feb 2008)

a. The Contractor must, at its expense, arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth facilities, either through on-site access or through remote access. Background checks are to be conducted via the Request for Criminal Record Check form and procedure found at <http://www.psp.state.pa.us/psplib/psp/sp4-164.pdf>. The background check must be conducted prior to initial access and on an annual basis thereafter.

b. Before the Commonwealth will permit access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If, at any time, it is discovered that a Contractor employee has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the Contractor to comply with the terms of this Section on more than one occasion or Contractor's failure to appropriately address any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.

c. The Commonwealth specifically reserves the right of the Commonwealth to conduct background checks over and above that described herein.

d. Access to certain Capitol Complex buildings and other state office buildings is controlled by means of card readers and secured visitors' entrances. Commonwealth contracted personnel who have regular and routine business in Commonwealth worksites may be issued a photo identification or access badge subject to the requirements of the contracting agency and DGS set forth in Enclosure 3 of Commonwealth Management Directive 625.10 Amended (January 30, 2008) Card Reader and Emergency Response Access to Certain Capitol Complex Buildings and Other State Office Buildings. The requirements, policy and procedures include a processing fee payable by the Contractor for contracted personnel photo identification or access badges.

V.43 CONTRACT-037.1b Confidentiality (Oct 2006)

The Contractor agrees to protect the confidentiality of the Commonwealth's information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. In order for information to be deemed to be confidential, the party claiming confidentiality must designate the information as "confidential" in such a way as to give notice to the other party. The parties agree that such confidential information shall not be copied, in whole or in part, except when essential for authorized use under this Contract. Each copy of such confidential information shall be marked by the party making the copy with all notices appearing in the original. Upon termination or cancellation of this Contract or any license granted hereunder, the receiving party will return to the disclosing party all copies of the confidential information in the receiving party's possession, other than one copy, which may be maintained for archival purposes only. Both parties agree that a material breach of these requirements may, after failure to cure within the time frame specified in this Contract, and at the discretion of the non-breaching party, result in termination for default.

The obligations stated in this Section do not apply to information:

- i. already known to the recipient at the time of disclosure;
- ii. independently generated by the recipient and not derived from the information supplied by the disclosing party;
- iii. known or available to the public, except where such knowledge or availability is the result of unauthorized

disclosure by the recipient of the proprietary information;

- iv. disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
- v. required to be disclosed by the recipient by law, regulation, court order, or other legal process.

V.44 CONTRACT-045.1 Insurance - General (Dec 12 2006)

- A. **Worker's Compensation Insurance** for all of the Contractor's employees and those of any subcontractor, engaged in work at the site of the project as required by law.
- B. **Public Liability and Property Damage Insurance** to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death and damage to property including the loss of use resulting from any property damage, which may arise from the activities performed under the Contract or the failure to perform under the Contract, whether such performance or non-performance be by the Contractor, by any subcontractor, or by anyone directly or indirectly employed by either. The minimum amounts of coverage shall be \$250,000 per person and \$1,000,000 per occurrence for bodily injury, including death, and \$250,000 per person and \$1,000,000 per occurrence for property damage. Such policies shall be occurrence rather than claims-made policies and shall not contain any endorsements or any other form designated to limit and restrict any action by the Commonwealth, as an additional insured, against the insurance coverage in regard to work performed for the Commonwealth.

Prior to commencement of the work under the Contract and at each insurance renewal date during the term of the Contract, the Contractor shall provide the Commonwealth with current certificates of insurance. These certificates or policies shall name the Commonwealth as an additional insured and shall contain a provision that the coverage's afforded under the policies will not be cancelled or changed until at least thirty (30) days written notice has been given to the Commonwealth.

The Commonwealth shall be under no obligation to obtain such certificates from the Contractor(s). Failure by the Commonwealth to obtain the certificates shall not be deemed a waiver of the Contractor's obligation to obtain and furnish certificates. The Commonwealth shall have the right to inspect the original insurance policies.

V.45 CONTRACT-051.1 Notice (Dec 2006)

As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth’s disclosure of Requested Information pursuant to the RTKL.

i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

U. AUDIT CLAUSE

(applicable to contracts \$100,000 or more)

This contract is subject to audit in accordance with the Audit Clause attached hereto and incorporated herein.

AUDIT CLAUSE A – SUBRECIPIENT
Local Governments and Nonprofit Organizations

The Commonwealth of Pennsylvania, Department of Public Welfare (DPW), distributes federal and state funds to local governments, nonprofit, and for-profit organizations. Federal expenditures are subject to federal audit requirements, and federal and state funding passed through DPW are subject to DPW audit requirements. If any federal statute specifically prescribes policies or specific requirements that differ from the standards provided herein, the provisions of the subsequent statute shall govern. The DPW provides the following audit requirements in accordance with the Commonwealth of Pennsylvania, Governor's Office, Management Directive 325.9, as amended August 20, 2009.

Subrecipient means an entity that expends federal awards received from a pass-through entity to carry out a federal program, but does not include an individual that is a beneficiary of such a program. A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency. For purposes of this audit clause, a subrecipient **is not** a vendor that receives a procurement contract to provide goods or services that are required to provide the administrative support to carry out a federal program.

A. Federal Audit Requirements – Local Governments and Nonprofit Organizations

A local government and nonprofit organization must comply with all federal audit requirements, including: the Single Audit Act, as amended; the revised Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Government, and Non-Profit Organizations*; and any other applicable law or regulation, as well as any other applicable law or regulation that may be enacted or promulgated by the federal government.

A local government or nonprofit organization that expends federal awards of \$500,000 or more during its fiscal year, received either directly from the federal government, indirectly from a pass-through entity, or a combination of both, to carry out a federal program, **is required** to have an audit made in accordance with the provisions of OMB Circular A-133, as revised.

If a local government or nonprofit organization expends **total federal awards of less than \$500,000** during its fiscal year, it is exempt from these **federal** audit requirements, but is required to maintain auditable records of federal or state funds that supplement such awards. Records must be available for review by appropriate officials. **Although an audit may not be necessary under the federal requirements, DPW audit requirements may be applicable.**

B. Department of Public Welfare Audit Requirements

A local government or nonprofit provider must meet the DPW audit requirements.

Where a Single Audit or program-specific audit is conducted in accordance with the federal audit requirements detailed above, such an audit will be accepted by the DPW provided that:

1. A full copy of the audit report is submitted as detailed below; and
2. The subrecipient shall ensure that the audit requirements are met for the terms of this contract; i.e., the prescribed Attestation Report and applicable schedule requirement(s). The incremental cost for preparation of the Attestation Report and the schedule cannot be charged to the federal funding stream.

AUDIT CLAUSE A – SUBRECIPIENT
Local Governments and Nonprofit Organizations

The local government or nonprofit organization must comply with all federal and state audit requirements including: the Single Audit Act Amendments of 1996; Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, as amended; and any other applicable law or regulation and any amendment to such other applicable law or regulation which may be enacted or promulgated by the federal government. **In the absence of a federally required audit**, the entity is responsible for the following annual audit requirements, which are based upon the program year specified in this agreement.

Institutions that **expends \$500,000 or more in combined state and federal funds** during the program year is required to have an audit of those funds made in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised, as published by the Comptroller General of the United States. Where such an audit is not required to meet the federal requirements, the costs related to DPW audit requirements may not be charged to federal funding streams.

If in connection with the agreement, a local government or nonprofit organization **expends \$300,000 or more in combined state and federal funds** during the program year, the subrecipient shall ensure that, for the term of the contract, an independent auditor conducts annual examinations of its compliance with the terms and conditions of this contract, as well as applicable program regulations. These examinations shall be conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Attestation Engagements (SSAE), Section 601, *Compliance Attestation*, and shall be of a scope acceptable to the DPW. The initial Section 601 compliance examination shall be completed for the program year specified in the contract and conducted annually thereafter. The independent auditor shall issue a report on its compliance examination as defined in SSAE, Section 601. The incremental cost for preparation of the SSAE cannot be charged to federal funding streams.

The subrecipient shall submit the SSAE, Section 601, audit report (if applicable) to the DPW within 90 days after the program year has been completed. When SSAE, Section 601, audit reports are other than unqualified, the subrecipient shall submit to the DPW, in addition to the audit reports, a plan describing what actions the subrecipient will implement to correct the situation that caused the auditor to issue a qualified report, a timetable for implementing the planned corrective actions, a process for monitoring compliance with the timetable, and a contact person who is responsible for the resolution of the situation.

If the subrecipient enters into an agreement with a subcontractor(s) for the performance of any primary contractual duties, the audit requirements are applicable to the subcontractor(s) with whom the subrecipient has entered into an agreement. Consequently, the audit requirements should be incorporated into the sub-contractual document as entered by the subrecipient.

A local government or nonprofit entity that **expends less than \$300,000 combined state and federal funds** during the program year is exempt from DPW audit requirements, but is required to maintain auditable records for each contract year. Records must be available for review by appropriate officials of the DPW or a pass-through entity.

AUDIT CLAUSE B – SUBRECIPIENT For-Profit Organizations

The Commonwealth of Pennsylvania, Department of Public Welfare (DPW), distributes federal and state funds to local governments, nonprofit, and for-profit organizations. Federal expenditures are subject to federal audit requirements, and federal and state funding passed through DPW are subject to DPW audit requirements. If any federal statute specifically prescribes policies or specific requirements that differ from the standards provided herein, the provisions of the subsequent statute shall govern. The DPW provides the following audit requirements in accordance with the Commonwealth of Pennsylvania, Governor's Office, Management Directive 325.9, as amended August 20, 2009.

Subrecipient means an entity that expends federal awards received from a pass-through entity to carry out a federal program, but does not include an individual that is a beneficiary of such a program. A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency. For purposes of this audit clause, a subrecipient is **not** a vendor that receives a procurement contract to provide goods or services that are required to provide the administrative support to carry out a federal program.

A. Federal Audit Requirements – For-Profit Organizations

The for-profit organization must comply with all federal and state audit requirements including: the Single Audit Act Amendments of 1996; Office of Management and Budget (OMB) Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, as amended; and any other applicable law or regulation and any amendment to such other applicable law or regulation which may be enacted or promulgated by the federal government.

A for-profit organization **is required** to have an audit if it expends a total of \$500,000 or more in federal funds under one or more Department of Health and Human Services (DHHS) federal awards. Title 45, CFR 74.26, incorporates the thresholds and deadlines of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Government, and Non-Profit Organizations*, but provides for-profit organizations with two options regarding the type of audit that will satisfy the audit requirements:

1. An audit made in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised; or
2. An audit that meets the requirements contained in OMB Circular A-133.

A for-profit organization **is required** to have an audit, in accordance with the above audit requirements, if it expends a total of \$500,000 or more of federal awards directly or indirectly during its fiscal year.

If a for-profit organization expends **total federal awards of less than \$500,000** during its fiscal year, it is exempt from these **federal** audit requirements, but is required to maintain auditable records of federal or state funds that supplement such awards. Records must be available for review by appropriate officials. **Although an audit may not be necessary under the federal requirements, DPW audit requirements may be applicable.**

AUDIT CLAUSE B – SUBRECIPIENT
For-Profit Organizations

B. Department of Public Welfare Audit Requirements

A for-profit provider must meet the DPW audit requirements.

Where a Single Audit or program-specific audit is conducted in accordance with the federal audit requirements detailed above, such an audit will be accepted by the DPW provided that:

1. A full copy of the audit report is submitted as detailed below; **and**
2. The subrecipient shall ensure that the audit requirements are met for the terms of this contract; i.e., the prescribed Attestation Report and applicable schedule requirement(s). The incremental cost for preparation of the Attestation Report and the schedule cannot be charged to the federal funding stream.

In the absence of a federally required audit, the entity is responsible for the following annual audit requirements, which are based upon the program year specified in this agreement.

If in connection with the agreement, a for-profit organization **expends \$300,000 or more in combined state and federal funds** during the program year, the subrecipient shall ensure that, for the term of the contract, an independent auditor conducts annual examinations of its compliance with the terms and conditions of this contract. These examinations shall be conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Attestation Engagements (SSAE), Section 601, *Compliance Attestation*, and shall be of a scope acceptable to the DPW. The initial Section 601 compliance examination shall be completed for the program year specified in the contract and conducted annually thereafter. The independent auditor shall issue a report on its compliance examination as defined in SSAE, Section 601. The incremental cost for preparation of the SSAE cannot be charged to federal funding streams.

The subrecipient shall submit the SSAE, Section 601, audit reports (if applicable) to the DPW within 90 days after the program year has been completed. When the SSAE, Section 601, audit reports are other than unqualified, the subrecipient shall submit to the DPW, in addition to the audit reports, a plan describing what actions the subrecipient will implement to correct the situation that caused the auditor to issue a qualified report, a timetable for implementing the planned corrective actions, and a process for monitoring compliance with the timetable and a contact person who is responsible for the resolution of the situation.

If the subrecipient enters into an agreement with a subcontractor(s) for performance of any primary contractual duties, the audit requirements are applicable to the subcontractor(s) with whom the subrecipient has entered into an agreement. Consequently, the audit requirements should be incorporated into the sub-contractual document as entered by the subrecipient.

A for-profit entity that **expends less than \$300,000 combined state and federal funds** during the program year is exempt from DPW audit requirements, but is required to maintain auditable records for each contract year. Records must be available for review by appropriate officials of the DPW or a pass-through entity.

AUDIT CLAUSE B – SUBRECIPIENT For-Profit Organizations

GENERAL AUDIT PROVISIONS

A for-profit organization is responsible for obtaining the necessary audit and securing the services of a certified public accountant or other independent governmental auditor. Federal regulations preclude public accountants licensed in the Commonwealth of Pennsylvania from performing audits of federal awards.

The Commonwealth reserves the right for state and federal agencies, or their authorized representatives, to perform financial and/or performance audits if deemed necessary by the Commonwealth or federal agencies. Any such additional audit work will rely on the work already performed by the subrecipient's auditor, and the costs for any additional work performed by the federal or state agency will be borne by those agencies at no additional expense to the subrecipient.

The Commonwealth reserves the right for state and federal agencies, or their authorized representatives, to perform financial and/or performance audits if deemed necessary. If it is decided that an audit of this contract will be performed, the subrecipient will be given advance notice. The subrecipient shall maintain books, records, and documents that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with the contract terms and conditions. The subrecipient agrees to make available, upon reasonable notice, at the office of the subrecipient, during normal business hours, for the term of this contract and the retention period set forth in this Audit Clause, any of the books, records, and documents for inspection, audit, or reproduction by any state or federal agency or its authorized representative.

The subrecipient shall maintain books, records, and documents related to this contract for a period of five years from the contract expiration date, until all questioned costs or activities have been resolved to the satisfaction of the Commonwealth, or as required by applicable federal laws and regulations, whichever is longer. Any records that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with contract terms and conditions must be maintained. The subrecipient agrees to make available, upon reasonable notice, at the office of the subrecipient, during normal business hours, for the term of this contract and the retention period set forth in this Audit Clause, any of the books, records, and documents for inspection, audit, or reproduction by any state or federal agency or its authorized representative.

Audit documentation and audit reports must be retained by the subrecipient's auditor for a minimum of five years from the date of issuance of the audit report, unless the subrecipient's auditor is notified in writing by the Commonwealth or the cognizant or oversight federal agency to extend the retention period. Audit documentation will be made available upon request to authorized representatives of the Commonwealth, the cognizant or oversight agency, the federal funding agency, or the Government Accountability Office.

Records that relate to litigation of the settlement of claims arising out of performance or expenditures under this contract to which exception has been taken by the auditors shall be retained by the subrecipient or provided to the Commonwealth at the DPW's option until such litigation, claim, or exceptions have reached final disposition.

AUDIT CLAUSE B – SUBRECIPIENT
For-Profit Organizations

Except for documentary evidence delivered pursuant to litigation or the settlement of claims arising out of the performance of the contract, the subrecipient may, in fulfillment of his obligation to retain records as required by this Audit Clause, substitute photographs, microphotographs, or other authentic reproductions of such records after the expiration of two years following the last day of the month of reimbursement to the contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by the Commonwealth.
