RE: Infrastructure and Facilities Improvement
Program ("IFIP")
Grant: \$13,400,000
Butler Health System

Dear Mr. Stewart:

I am pleased to inform the Butler County Industrial Development Authority (*the "Applicant"*) that the Department of Community and Economic Development (*the "Department"*) has approved your Infrastructure and Facilities Improvement Program ("IFIP") application (*the "Application"*) for a multi-year grant totaling an amount not to exceed Thirteen Million Four Hundred Thousand Dollars (\$13,400,000) (*the "Grant"*), as allocated in Schedule A. The Application has been approved based upon and in accordance with the terms and the representations made therein.

The Grant will be governed by the terms of a Grant Agreement to be executed between the Applicant and the Department. The proceeds of the Grant will be used for costs identified in Schedule B directly relating to the project described in the Application (*the "Project"*). The following conditions shall apply to the Grant offer:

1. The Applicant has paid as of the date the Applicant signs this commitment letter and will timely pay all Commonwealth and local taxes and fees due and owing during the term of the Grant Agreement. A local government unit as defined under 53 Pa. C.S. Pt. VII Subpt. B (relating to indebtedness and borrowing) or an issuing authority may enter into an agreement or adopt an ordinance or resolution to permit the local government unit or issuing authority to pay, waive, abate, settle, compromise or reimburse any local tax, fee or other imposition applicable to a project user imposed by any local government unit or issuing authority. The agreement, ordinance or resolution shall not affect the eligibility of an applicant or a project to receive a grant under this chapter.

2. The Applicant will use the Grant funds to pay debt service for the Project. In the event the Applicant fails to do so, the Applicant will repay all or any portion of the Grant funds not used to pay debt service for the Project.
3. Grant funds received in any one year may not exceed the debt service on the Project for that year. In the event Grant funds received in any one year exceed the debt service on the Project for that year, the Applicant will repay the amount of Grant funds received in that year which exceed the payment on debt service for that year.
4. The Applicant will pay the full amount of annual debt service for the Project, regardless of the amount of the Grant received and must provide to the Department evidence of such payment within twelve months from the date of the incurrence of the debt.
5. If the Grant is awarded for more than four years, the Applicant must in year five and each year thereafter in which the Applicant is receiving Grant funds demonstrate to the satisfaction of the Department, the Secretary of the Budget and the Department of Revenue that the sales tax, hotel occupancy tax, and the net increase in personal income tax to be collected or withheld for the Project in the upcoming year are anticipated to be equal to or exceed the amount of the Grant awarded in the previous year, in order to receive the amount of Grant funds allocated. If the Commonwealth determines that the tax revenues are equal to or exceed the amount of the Grant funds received in the previous year, then the Applicant shall receive the amount of Grant funds allocated in Schedule A for that upcoming year. If the Commonwealth determines that the tax revenues do not equal or exceed the amount of Grant funds received in the previous year, then the Applicant shall receive Grant funds in an amount that is equal to the anticipated tax revenues specified for that upcoming year.
6. If sufficient funds are not appropriated to the Department to cover the amount of Grant funds allocated in Schedule A for any specified year, the Department shall prorate the payment of IFIP grant funds for that year among all recipients of IFIP grant funding to whom an annual payment of grant funds is due.
7. Butler Health System (the "Project User") will use the Project during the term of the Grant Agreement. In the event the Project User fails to do so, the Applicant will cause the Project User to repay all or any portion of the Grant.
8. The Project User will pay to the Applicant a sum equal to any payments received by the Project User from third parties for infrastructure which is part of the Project during the term of the Grant Agreement. Any such payment received by the Applicant will be applied to payment of the debt service for the Project.
9. The Applicant must comply with IFIP guidelines.

10. The Applicant may not make or authorize any substantial change in the approved Project without first obtaining the written consent of the Department.
11. The Applicant will maintain full and accurate records with respect to the Project. The Department shall have free access to such records and to inspect all Project work, and other relative data and records. The Applicant must furnish upon request of the Department all data, reports, contracts, documents, and other information relevant to the Project as may be requested.
12. Upon the issuance of the debt for which funding is being provided under this Contract, the Contractor shall submit to the Department a final debt structure showing the maturity date. Every six months thereafter, the Contractor shall submit to the Department updated debt structure information including the outstanding balance of the debt."
13. The Pennsylvania Prevailing Wage Act (43 P.S. § 165-1 et seq.; 34 Pa. Code § 9.101 et seq.) may be applicable to this Project. If applicable, the Grant Recipient is responsible for including prevailing wage rates in all bid documents, specifications, and construction contracts pertaining to the Project. The Department of Labor and Industry (L&I) has final authority to make all prevailing wage applicability determinations. A copy of this letter is being forwarded to L&I for a formal determination of applicability of prevailing wage requirements.

Please Note: Prevailing Wage requirements are generally applicable to grants for construction, demolition, reconstruction, alteration, repair work, renovations, build-out and installation of machinery and equipment in excess of \$25,000.00. Any questions as to final prevailing wage obligations should be directed to the Bureau of Law Compliance at 1 (800) 932-0665.

Exhibit A further describes the procedure to access the IFIP grant funds after all of the necessary conditions are met.

This commitment must be signed and returned to the Department within forty-five (45) days of the date of the commitment letter. Please indicate your written acceptance by returning the original Commitment Letter fully executed. Thereafter, this commitment shall be null and void.

The Department of Community and Economic Development requires all Project Users to establish a site-specific tax license. Failure to contact the Department of Revenue to establish a site-specific account within thirty (30) days after the Commitment letter is signed, or within thirty (30) days after the project user executes a lease agreement at the project site, whichever occurs later, may result in the forfeiture of the IFIP grant.

In order to establish a site-specific tax account, Project Users must contact Matthew Forti of the Pennsylvania Department of Revenue and request a paper PA-100, or download the form from the Pennsylvania Department of Revenue website at: <http://www.revenue.state.pa.us/> and mail it to:
