General Rules

A. PAYMENT OF PREMIUMS.

Premiums are to be paid by the Contract Holder to Prudential, or to an entity designated by Prudential to act as its agent for this purpose. At its option, the Contract Holder may designate that the premium charges for the insurance be submitted directly by the insured(s).

B. GRACE PERIOD.

A premium is due on each Premium Due Date stated in the Group Contract Schedule, or on such alternate dates as are requested by the Contract Holder and agreed to by Prudential. Any premiums paid by the Contract Holder for the insurance must be paid within 31 days after the date on which it is due. Those days are known as the grace period. The Contract Holder is ultimately liable to pay such premiums for the time that the Group Contract is in force.

C. PREMIUM AMOUNTS.

The premium due on any due date with respect to the insurance of an insured is determined from the premium rates then in effect.

D. PREMIUM RATE CHANGES.

The premium rates in effect on the Contract Date are shown in the Group Contract's Schedule of Premium Rates. Prudential has the right to change premium rates:

- 1) As of any Premium Due Date after the third Contract Anniversary; and
- 2) As of any date that an employer becomes, or ceases to be, an Included Employer; and
- 3) As of any date that the extent or nature of the risk under the insurance is changed:
 - a) by amendment of the Group Contract; or
 - b) by reason of any provision of law or any governmental program or regulation.

Prudential will notify the Contract Holder within 31 days when a change in the premium rates is made.

E. END OF THE GROUP CONTRACT.

During or at the End of a Grace Period - Failure to Pay Premiums: If any premium payable by the Contract Holder is not paid by the end of its grace period, the Group Contract will end when that period ends. The Contract Holder may write to Prudential, in advance, to ask that the Group Contract be ended at the end of the period for which premiums have been paid or at any time during the grace period. Then the Group Contract will end on the date requested.

End of Sponsorship: The Contract Holder may end its sponsorship of this Group Contract by giving Prudential written notice 60 days before the date its sponsorship ends. The Contract Holder must give written notice of the end of its sponsorship to insured persons as least 60 days before the date its sponsorship ends.

The Contract Holder must furnish all necessary data to Prudential, including the current addresses for all insureds as of the date of the written notice of the end of its sponsorship.

If sponsorship ends and coverage under this Group Contract is not replaced within 31 days of termination, an insured is entitled to a Conversion Privilege.

On a Contract Anniversary: Prudential may end the Group Contract on any Contract Anniversary. But notice of its intent to do so must be given to the Contract Holder at least 31 days in advance.

F. AGE ADJUSTMENT.

If age is used to determine a premium charge due from the Contract Holder for an insured and the age is found to be in error, the premium charge will then be adjusted to reflect the correct age. If this adjustment results in a change in the amount of such premium, any difference between the premium paid and the premium required on the basis of the correct age will be paid as follows:

- 1) If the adjustment results in an increased premium, Prudential will notify the insured and the Contract Holder, if necessary, and request payment of the additional premium.
- 2) If the adjustment results in a decreased premium, the difference will be refunded by Prudential.

If Coverage would have been denied if the age had not been misstated, or if the insured would have been subject to additional medical evidence requirements, Prudential's liability will be limited to a refund of all premiums paid for this Coverage. If the change in age affects the amount of the insured's coverage, such amount will be changed on the basis of the correct age. Any premium adjustment will take this into account.

G. CERTIFICATES.

Prudential will give an individual certificate to each insured. It will describe the coverage under the Group Contract. It will include:

- 1) to whom Prudential pays benefits;
- 2) any protection and rights when the insurance ends; and
- 3) claim rights and requirements.

H. RECORDS - INFORMATION TO BE FURNISHED.

Either the Contract Holder or Prudential, as they agree, will keep a record of the insured persons under the Group Contract. It will contain the key facts about their insurance.

At the times set by Prudential, the Contract Holder will send the data required by Prudential to perform its duties under the Group Contract, and to determine the premium rates. All records of the Contract Holder which bear on the insurance must be open to Prudential for its inspection at any reasonable time.

Prudential will not have to perform any duty that depends on such data before it is received in a form that satisfies Prudential.

An insured's coverage will not be made invalid by failure of the Contract Holder, due to clerical error, to record or report the person for insurance.

I. THE CONTRACT - INCONTESTABILITY OF THE CONTRACT.

The entire Group Contract consists of:

- 1) the Group Insurance Certificate(s) listed in the Schedule of Plans, a copy of which is attached to the Group Contract;
- 2) all modifications and endorsements to such Group Insurance Certificates which are attached to and made a part of the Group Contract by amendment to the Group Contract;
- 3) the forms shown in the Table of Contents as of the Contract Date;
- 4) the Contract Holder's application, a copy of which is attached to the Group Contract;..
- 5) any endorsements or amendments to the Group Contract; and
- 6) the individual applications, if any, of the persons insured.

No statement of the Contract Holder shall be used in any contest of the insurance under the Group Contract.

There will be no contest of the validity of the Group Contract, except for not paying premiums, after it has been in force for one year.

The Group Contract may be amended, at any time, without the consent of the insured persons or of anyone else with a beneficial interest in it. This can be done through written request made by the Contract Holder and agreed to by Prudential. But an amendment will not affect a claim incurred before the date of change.

Only an officer of Prudential has authority:

- 1) to waive any conditions or restrictions of the Group Contract; or
- 2) to extend the time in which a premium may be paid; or
- 3) to make or change a contract; or
- 4) to bind Prudential by a promise or representation or by information given or received.

A Prudential agent is not an officer.

No change in the Group Contract is valid unless shown in:

- 1) an endorsement on it signed by an officer of Prudential; or
- 2) an amendment to it signed by the Contract Holder and by an officer of Prudential.

But a change in the Group Contract may be made in an amendment to it that is signed only by an officer of Prudential if the amendment reflects a change in the Group Contract that has been automatically made to satisfy the requirements of any state or federal law or regulation that applies to the Group Contract, subject to approval by the Pennsylvania Department of Insurance.

J. TAX STATUS.

The Long Term Care Coverage to be issued under this Group Contract is intended to be Qualified Long Term Care Insurance as defined by the Internal Revenue Code Section 7702B(b). As such, benefits paid under this Group Contract may be excluded from an insured's taxable income. In addition, some or all of the premiums paid for this Coverage may be tax deductible as a medical expense subject to certain limitations. A tax advisor should be consulted for more information concerning this deduction.

Public guidance issued by the Internal Revenue Service or Treasury Department may provide that a provision of the Long Term Care Coverage under this Group Contract does not comply with the requirements of Code Section 7702B. In this event, that provision will be nullified without any further action by Prudential or the Contract Holder.

K. CONFORMITY WITH LAW.

Any provision of this Group Contract which, on its effective date, is in conflict with the statutes of the state in which it was issued, is hereby amended to conform with the minimum requirements of such statute.

- 2) Related to an *Employee* in one of the following ways:
 - a) You are the spouse or *Domestic Partner* of the *Employee*.
 - b) You are the parent or grandparent of the *Employee* or the *Employee's* spouse.
 - c) You are the spouse of the parent or grandparent.
 - d) You are the adult child of an *Employee* or the adult child's spouse.
 - e) You are the surviving spouse of a deceased *Employee*.
- 3) Related to a Retiree in one of the following ways:
 - a) You are the spouse or *Domestic Partner* of a Retiree.
 - b) You are the surviving spouse of a deceased Retiree.

You must be at least 18 but less than age 84 when your Enrollment Form is completed.

When You Become Insured

Prudential will determine if you are accepted for *Coverage* based upon your responses to the questions on your Enrollment Form and any other evidence of insurability that *Prudential* may require. If you are accepted, the Effective Date of your *Coverage* and the Plan you have chosen will be shown in the Confirmation Statement included with this Certificate.

Delay of Effective Date

If you are an *Employee*, your *Coverage* will be delayed if you are not actively at work on the day your insurance would otherwise begin. Instead, it will begin on the first day of the month following the date you return to work as an active *Employee*.

If you are eligible for this *Coverage* other than as an *Employee*, your *Coverage* will be delayed if, on the day your insurance would otherwise begin, you are confined in a health care institution or are receiving *Home and Community-Based Care* or *Hospice Care*. Instead it will begin on the first day of the month following the date you are discharged from such confinement and are not receiving such care.

Keeping Your Coverage

If any of the following situations occur, you may keep your *Coverage* in effect:

- 1) The person through whom you have your *Coverage* leaves the *Group Contract Holder*.
- 2) You become divorced from your spouse.
- 3) Your relationship with your *Domestic Partner* is terminated.
- 4) Your spouse or *Domestic Partner* dies.
- 5) The *Group Contract Holder* withdraws sponsorship.

- If the person through whom you have your *Coverage* leaves the *Group Contract Holder*,

You must notify *Prudential* in writing within 60 days of this change in status.

- If you become divorced, or your *Domestic Partner* relationship is terminated, or your spouse dies,

You must notify *Prudential* in writing within 60 days of the final judgment of divorce, of the date of termination of the relationship, or the death that you want to continue your *Coverage*. *Prudential* will then adjust the billing, if necessary, to reflect your change in status.

- If the *Group Contract Holder* withdraws sponsorship of the *Group Contract* and does not replace it within 31 days of the date *Coverage* would otherwise end,

Prudential will offer you the opportunity to convert coverage to an individual policy, without providing evidence of insurability. You will be eligible to convert if you have been continuously insured under the *Group Contract* for at least six months immediately prior to termination. The converted policy will provide benefits identical to or substantially equivalent to or in excess of those provided under the *Group Contract* from which conversion is made.

- If your premiums are being waived when any of the above events occur,

You must still notify *Prudential* in writing as described above. You will not have to send premiums as long as your premium payments were current before the waiver period.

Notice should be sent to: The Prudential Insurance Company of America, Long Term Care Customer Service Center, P. O. Box 8526, Philadelphia, PA 19101.

Premiums

A. Paying Premiums

You are responsible for the entire cost of this *Coverage* and your premium payments. <ABC COMPANY INC> does not contribute to the cost of this *Coverage*. Your premium contribution is shown on your Confirmation Statement.

B. Amount of Premiums

Premiums for this *Coverage* are based on your age as of the date you enroll for *Coverage* and the *Coverage* option(s) you have chosen.

- Premiums will not automatically increase as you become older.
- Premiums will not automatically increase because you use benefits.

As long as you continue to pay the required premium for this *Coverage*, have not reached your *Lifetime Maximum*, and have answered the questions on the Enrollment Form truthfully, you can keep this *Coverage* in effect.

C. Increases In Premiums

You will be charged an additional separate premium if you choose to increase your benefits. The premium for your original *Coverage* will remain the same. Your age as of the date you enroll for the additional *Coverage* will be used to determine the additional separate premium.

Prudential also reserves the right to change premium rates. Any change will apply on a class basis to all insureds. Class, for purposes of this section, means a grouping of insured risks that exhibit a trait requiring a separate premium rate due to risk characteristics.

You will be given 60 days advance written notice of any such change.

D. Correcting Premiums

If the age used to determine your premium is found to be in error, the premium charge will be adjusted to reflect your correct age. If this adjustment results in a change in the amount of such premium, any difference between the premium paid and the premium required on the basis of the correct age will be satisfied as follows.

- 1) If the adjustment results in an increased premium, *Prudential* will notify you and the Group Contract Holder, if necessary, and request payment of the additional premium required for your *Coverage*, with the next premium due after the date on which the error was identified.

- 2) If the adjustment results in a decreased premium, the difference will be refunded by *Prudential*. You may ask *Prudential* to send you a refund or apply the overpayment towards future premiums.

If your *Coverage* would have been denied had your age not been misstated, or if you would have been subject to additional medical evidence requirements, *Prudential's* liability will be limited to a refund of all premiums you have paid for this *Coverage*.

E. Grace Period

If you are being billed directly by *Prudential*, the due date will be indicated on your bill. If premium is not received within 31 days of the date due, you and your designee (if applicable) will be mailed a notice requesting payment within 31 days. The notice will be deemed to have been given as of five days after the date of mailing. Your 31 day grace period starts as of this fifth day following the date of mailing. The Certificate remains in force during the grace period. If *Prudential* does not receive payment within this time, your *Coverage* will be terminated.

If your premiums are being paid through payroll or pension deduction and the premiums are not remitted to *Prudential* within the period agreed to by <ABC COMPANY INC> and *Prudential* in the Group Contract, you will be automatically billed by *Prudential*. In that case, you will be subject to the grace period previously described.

F. Waiver of Premium

After you meet the **Benefit Eligibility Criteria** and satisfy the required **Benefit Waiting/Elimination Period**, the premiums for your *Coverage* will be waived. Premiums will be waived beginning the first day of the month following the date you satisfy the **Benefit Waiting/Elimination Period**. Premiums will again become due as of the first day of the month following the month in which you no longer meet the **Benefit Eligibility Criteria**.

G. Premium Refund Upon Cancellation of Insurance

Upon proper notification of the cancellation of this *Coverage* at a time occurring after the free look period described in the **Foreword** section, *Prudential* will refund on a pro-rata basis any part of the periodic premium contribution for you which applies to the period after cancellation.

H. Premium Refund Upon Your Death

Upon proper notification of the death of the insured, *Prudential* will refund on a pro-rata basis any part of the periodic premium contribution for that insured which applies to the period of time after death.

Long Term Care Coverage

A. Covered Services

Certain terms used in this section have been defined to make it easier to understand and use your *Coverage*. See the **Definitions** section.

This *Coverage* pays benefits for *Eligible Charges* incurred by you for *Institutional Care* which includes care in a *Nursing Home*, *Assisted Living Facility* care and *Bed Reservation*; *Home and Community-Based Care*, which includes *Home Health Care* and *Adult Day Care*; and Additional Benefits which include *Hospice Care*, *Respite Care*, *Independence Support*, *Caregiver Training*, *Information and Referral Services*, *Private Care Management* and *Alternate Plan of Care*. Benefits paid for *Eligible Charges* count towards fulfillment of your *Lifetime Maximum*.

Benefits for *Eligible Charges* for the following services are provided once the **Benefit Waiting/Elimination Period** has been satisfied. Not all charges are covered (see **Coverage Exclusions** section). The actual amount paid depends on the Plan you have chosen. The benefits paid for all covered *Qualified Long Term Care Services* (with the exception of *Independence Support*, *Caregiver Training* and *Information and Referral Services*) received on any given day will not exceed the *Daily Maximum* benefit for *Nursing Home Care*. The benefits paid under this *Coverage* will not exceed the *Lifetime Maximum*. All applicable maximums and limits are described in this Certificate and are outlined on the **Schedule of Benefits** page.

INSTITUTIONAL CARE BENEFITS

Nursing Home Care - This Certificate provides *Coverage* for care provided by a *Nursing Home* while you are a resident. Benefits for *Eligible Charges* will be paid up to your *Daily Maximum* for *Nursing Home Care* as shown in the **Schedule of Benefits**.

Assisted Living Facility Care- This Certificate provides *Coverage* for care provided by an *Assisted Living Facility* while you are a resident. Benefits for *Eligible Charges* will be paid up to your *Daily Maximum* for *Assisted Living Facility Care* as shown in the **Schedule of Benefits**.

Bed Reservation - While you are receiving *Qualified Long Term Care Services* in a *Nursing Home* or an *Assisted Living Facility*, you may incur charges for *Bed Reservation* by that institution to retain your bed while you are confined in an acute care facility for 24 hours or more. This Certificate provides *Coverage* for such charges if

- 1) The *Bed Reservation* occurs while you are receiving benefits under this Certificate for care in a *Nursing Home* or an *Assisted Living Facility*. And
- 2) The charge for *Bed Reservation* is a customary facility charge that would be made in the absence of insurance.

Benefits for *Eligible Charges* will be paid up to your *Daily Maximum for Bed Reservation* as shown in the **Schedule of Benefits**. See the **Schedule of Benefits** for specific limits on the *Bed Reservation* benefit.

HOME & COMMUNITY-BASED CARE BENEFITS

Home Health Care - This Certificate provides Coverage for each day you receive Home Health Care or Personal Care from a Home Health Care Agency, Referral Agency, Nurse Registry or provided by an Independent Health Care Professional. Eligible Charges will be paid up to your Daily Maximum for Home Health Care.

Benefits under this provision will not be paid in addition to benefits paid for *Qualified Long Term Care Services* received in an Assisted Living Facility.

Adult Day Care - This Certificate provides Coverage for each day you receive Adult Day Care from an Adult Day Care Facility. Benefits for Eligible Charges will be paid up to your Daily Maximum for Adult Day Care as shown in the **Schedule of Benefits**.

The benefits paid for all covered Home & Community-Based Care services received on any given day will not exceed the Daily Maximum benefit for Home Health Care.

ADDITIONAL BENEFITS

Hospice Care - This Certificate provides Coverage for *Hospice Care*. Benefits for *Eligible Charges* will be paid up to your *Daily Maximum for Hospice Care* as shown in the **Schedule of Benefits**. The **Benefit Waiting/Elimination Period** does not apply to *Hospice Care* benefits.

Respite Care - This Certificate provides Coverage for short-term care provided for limited periods of time in an *Institutional Care* setting or for *Home and Community-Based Care* to relieve your *Informal Caregiver*. Benefits for *Eligible Charges* will be paid up to the *Daily Maximum for Respite Care*, as shown in the **Schedule of Benefits**. See the **Schedule of Benefits** for specific limits on the *Respite Care* benefit.

Independence Support - This Certificate provides Coverage for a personal emergency response system or for home modifications related to your *Long Term Care* needs aimed at allowing you to stay at home. Benefits for *Eligible Charges* will be paid up to the Independence Support Lifetime Benefit limit as shown in the **Schedule of Benefits**. Caregiver Training - This Certificate provides *Coverage* for *Caregiver Training* for an *Informal Caregiver*. Benefits for *Eligible Charges* will be paid up to the *Caregiver Training Lifetime Benefit Limit* as shown in the **Schedule of Benefits**. No **Benefit Waiting/Elimination Period** applies to *Caregiver Training* benefits.

Information and Referral Services - If you would like information regarding community resources or your benefits, *Prudential's Long Term Care Customer Service Center* is available to help. You do not have to be eligible for benefits. No **Benefit Waiting/Elimination Period** applies to *Information and Referral Services* benefits. Call 1-800-732-0416 for assistance.

Private Care Management - This Certificate provides *Coverage* for a *Private Care Manager* to provide information, resources or to coordinate your *Long Term Care*. You must first meet the **Benefit Eligibility Criteria** in order to use this benefit. Benefits for *Eligible Charges* will be paid up to the *Private Care Management Calendar Year Benefit Limit* as shown in the **Schedule of Benefits**. No **Benefit Waiting/Elimination Period** applies to *Private Care Management* benefits.

Alternate Plan of Care - *Prudential* recognizes there are emerging trends in the delivery of *Long Term Care*. We have attempted to describe the types of care, services and settings that are covered under this Certificate. However, we will consider a claim for benefits for care received in an alternate setting or for non-institutional services designed to help eligible individuals remain independent in their homes. Determination of your eligibility for this benefit and the benefit amount will be made on an individual basis at the sole discretion of *Prudential*. Benefits paid under *Alternate Plan of Care* reduce your *Lifetime Maximum*.

To be considered an *Eligible Charges* under the *Alternate Plan of Care* provision, charges must be for a service that meets the following requirements.

- 1) It must be considered a *Qualified Long Term Care Service* within the meaning of *Internal Revenue Code Section 7702B*.
- 2) It must be clearly specified in your *Plan of Care*.
- 3) It must be agreed to by you, your *Licensed Health Care Practitioner* and *Prudential* as an appropriate alternative to services covered by your *Certificate*. However, you may choose to stop the covered alternative services at any time and use other services covered by your *Certificate*.
- 4) To qualify, such care must be a cost-effective alternative to the benefits provided in this *Certificate*.

B. Obtaining Benefits

Limitations or Conditions on Eligibility for Benefits

Eligibility for the Payment of Benefits - Benefit Eligibility Criteria - Submitting a claim form and a bill is not enough to assure that benefits will be paid. In order to

receive benefits, you must FIRST be assessed by a *Licensed Health Care Practitioner* and be confirmed as having a *Chronic Illness or Disability*. A *Chronic Illness or Disability* is one in which there is:

- 1) A loss of the ability to perform, without *Substantial Assistance*, at least two *Activities of Daily Living*. This loss must be expected to continue for 90 days. This 90 day period is not an additional waiting period. *Activities of Daily Living* are *Bathing, Contenance, Dressing, Eating, Toileting and Transferring*. Or
- 2) A *Severe Cognitive Impairment* which requires *Substantial Supervision* to protect you from threats to health or safety.

Using Your Coverage

It is important that you start the process of using your *Coverage* by calling the Long Term Care Customer Service Center at 1-800-732-0416. You are encouraged to call *Prudential* before you begin using *Long Term Care* services so that you know in advance whether your benefits will be available. Either you or your authorized or legal representative may call.

Prudential will arrange for a trained *Licensed Health Care Practitioner* to assess you or you may select your own *Licensed Health Care Practitioner*. As part of the assessment process, you and your caregiver may be interviewed. If *Prudential* arranges the assessment, the interview may be by telephone or in-person depending on your condition. The assessment will be based on objective standards of measurement.

If you wish to select your own *Licensed Health Care Practitioner*, you must notify *Prudential* when you call our Long Term Care Customer Service Center. *Prudential* will send you an assessment form that your *Licensed Health Care Practitioner* must complete and return to *Prudential*.

Based on the information obtained during the assessment, your eligibility will be confirmed or denied based on *Prudential's* use of objective standards of measurement. These may include the "Katz Index of ADL's," "Folstein's Mini-Mental Examination," or any other equivalent objective standard of measurement currently in use at the time of assessment and acceptable to *Prudential*, subject to the terms and conditions of the Certificate. You will be sent a written notice to confirm your eligibility. If you are not eligible, you will be sent a written notice explaining the reasons you were not eligible.

If you are eligible, you will need a *Plan of Care*. Your *Plan of Care* will be used to determine benefits based on the Plan you have chosen.

You will be reassessed periodically, but not more than once every 90 days, to determine if you are still eligible for benefits. To comply with federal income tax requirements, you must be assessed at least once each year.

Appealing Decisions about Eligibility

If the assessment process did not confirm your condition as a *Chronic Illness or Disability*, you may then arrange, at your own-cost, for a second assessment from another *Licensed Health Care Practitioner*.

You have the right to appeal decisions made about your eligibility for benefits. When you are determined to be ineligible for benefits, you will be sent a notice that explains why you are not eligible. This notice will also explain the procedure you should follow if you choose to appeal the decision.

Prudential will send you a written acknowledgment of your appeal. If no additional information is required and the appeal is denied, the acknowledgment will include a detailed explanation of the reason(s) for the denial. If additional information is required, *Prudential* will explain what information is needed. Upon receipt and review of the additional information, *Prudential* will notify you in writing of the results of the review.

If you still disagree with the appeal decision, you can request in writing within 60 days of the decision that the matter be submitted to the Benefit Appeal Committee. This Committee includes, but is not limited to, clinical consultants, legal consultants, and product management staff. After a thorough review, the Committee will send you written notification of its decision.

C. Benefit Waiting/Elimination Period Before Payment Begins

A **Benefit Waiting/Elimination Period** must be met once during your lifetime before benefits are payable. This Certificate has one combined **Benefit Waiting/Elimination Period** for all covered services to which it applies. This is a period, counted in calendar days, which begins on the date you are assessed, if that assessment results in eligibility for benefits, and continues as long as you have a *Chronic Illness or Disability*. You do not need to incur charges to satisfy the **Benefit Waiting/Elimination Period**. The **Benefit Waiting/Elimination Period** can be satisfied over multiple periods of *Chronic Illness or Disability*.

No benefits are payable during the **Benefit Waiting/Elimination Period** for charges for which the **Benefit Waiting/Elimination Period** applies.

Your **Benefit Waiting/Elimination Period** is shown on your Confirmation Statement.

Cash Alternative Benefit

Under this provision, at your option, your *Coverage* will pay a monthly fixed benefit to you in lieu of reimbursement for *Eligible Charges for Home and Community-Based Care* as stated above.

The Cash Alternative Daily Benefit is payable for each day in the month in which you have a *Chronic Illness or Disability*, after you satisfy the **Benefit Waiting/ Elimination Period**. The Cash Alternative Daily Benefit is equal to 50% of your *Daily Maximum for Home Health Care*.

The Cash Alternative Daily Benefit is subject to the following:

- 1) You must meet the **Benefit Eligibility Criteria**.
- 2) You can only elect this benefit on a monthly basis. This election is made on the claim form.
- 3) It is in lieu of any other *Institutional Care* or *Home and Community-Based Care* benefits payable for that month.

These benefits are subject to the **Benefit Waiting/Elimination Period** and reduce your *Lifetime Maximum*.

NOTICE: Since the Cash Alternative Benefit is made without regard to costs incurred by you, part of the benefits could be considered taxable income. If the benefits paid under this provision are in excess of the per diem limit as prescribed by law, they could be considered taxable income. This per diem limit is indexed for inflation. You should consult with a tax advisor for more information concerning the tax implications.

International Coverage

Your *Coverage* provides benefits for *Long Term Care* services you receive outside the United States as:

- 1) A resident in an *Out-of-Country Nursing Home*;
- 2) *Home Health Care* services or *Personal Care* services.

Benefits for these *Eligible Charges* for care you receive outside the United States will be paid up to 75% of your *Daily Maximum for Nursing Home Care* or *Daily Maximum for Home Health Care*, as shown in the **Schedule of Benefits**, according to the services you use.

Payment of International Coverage benefits is limited to 365 days during which *Eligible Charges* are incurred over the lifetime of the *Coverage*. When the International Coverage benefits are exhausted, any *Eligible Charges* incurred for *Long Term Care* services received inside the United States will be considered under your *Coverage*.

These benefits are subject to the **Benefit Waiting/Elimination Period** and reduce your *Lifetime Maximum*.

There is no International Coverage benefit for Bed Reservation, Hospice Care, Respite Care, Independence Support, Caregiver Training, Private Care Management or Alternate Plan of Care when provided or charges are incurred outside of the United States.

The following terms are added to the **Definitions** section.

Out-of-Country Nursing Home - An institution, not excluded below, that meets the following criteria.

- 1) It is located outside the United States, its territories and possessions.
- 2) It is a legally operated facility that is engaged primarily in providing skilled, intermediate or custodial nursing care for at least 10 people.
- 3) It provides such care in accordance with the authority granted by a license or similar accreditation, acceptable to *Prudential*, that has been issued by the national or requisite political subdivision of the country in which it is located to provide the levels of care for which benefits would be payable under the Certificate's **Institutional Care Benefits**.
- 4) It provides continuous room and board accommodations for all of its residents.

- 5) It employs at least one full-time *Graduate Nurse*, with a *Graduate Nurse* on duty or on call in the facility at all times.
- 6) It has an awake employee on duty in the facility who is trained and ready to provide residents with scheduled and unscheduled care and services sufficient to support needs resulting from inability to perform *Activities of Daily Living* or *Severe Cognitive Impairment* and who is aware of the whereabouts of the residents.
- 7) It provides three meals a day and accommodates special dietary needs.
- 8) It has arrangements with a duly licensed *Physician* or *Graduate Nurse* to furnish medical care and services in case of an emergency.
- 9) It has methods and procedures to provide necessary assistance to residents in managing prescribed medications.

The following facilities are excluded.

- 1) A facility whose primary function is not to provide *Long Term Care* services.
- 2) A hospital or clinic, sub-acute care or rehabilitation hospital or unit.
- 3) A place that operates primarily for the treatment of alcoholism, drug addiction or mental illness.
- 4) Your home or place of residence in an area used principally for independent residential living, including hotels, motels, spas, retirement homes, boarding homes and adult foster care facilities.
- 5) A substantially similar adult residence establishment or environment.

Graduate Nurse - A person who has completed a post-secondary nursing care training program and has a current license to provide skilled nursing care to sick or infirm individuals under the direction of a licensed *Physician*.

The following paragraph is added to the **Proof of Loss** subsection of the **Claim Rules** section.

At your own expense, you must obtain and submit all required documentation to us in English. If you are submitting Proof of Loss for the International Coverage Benefit, you must also submit a copy of your passport, airline ticket or other proof acceptable to *Prudential* that you are outside the United States.

The following paragraph is added to the **Coverage Exclusions** section.

The Exclusion for "Services and Supplies Outside the United States" does not apply to the International Coverage Benefit.

Non-Forfeiture Benefit Rider - Shortened Benefit Period

If you elected the Non-Forfeiture Benefit Rider and pay the additional premium, these provisions change your *Long Term Care Coverage*. This rider provides for additional benefits if your insurance ends due to non-payment of premium.

Changes Made in the Coverage

The following benefit replaces the **Contingent Non-Forfeiture Provisions** in your *Long Term Care Coverage*.

Non-Forfeiture Benefit

This rider provides a non-forfeiture benefit in the form of a shortened benefit period. This rider will pay benefits according to the conditions in effect at the time insurance ended, up to the benefit limits you have chosen. However, you will have a reduced *Lifetime Maximum*.

If your insurance ended due to non-payment of premium on or after the third anniversary of your Effective Date, you may be entitled to receive benefits under this provision.

No benefits will be paid if:

- 1) Your insurance ended prior to your third anniversary;
- 2) You have already received benefits equal to the *Lifetime Maximum* benefit available under your *Coverage*.

If you are entitled to a benefit, this benefit will be equal to the greater of the following.

- 1) 30 times the *Daily Maximum* for *Nursing Home Care* at the time of lapse, up to your remaining *Lifetime Maximum*.
- 2) The total amount of premiums paid for your *Coverage*.

This benefit can be used at any time during your lifetime. To use it, you must request benefits and *Prudential* must determine your eligibility. Your benefits will be based on the benefit limits in effect when your insurance ended. The inflation protection provisions end when premiums are no longer paid. No inflation increases will occur for benefit amounts under the Non-Forfeiture Benefit provisions.

Automatic Compound Inflation Increase Rider

If you elected the Automatic Compound Inflation Increase Rider and pay the additional premium, these provisions change your *Long Term Care Coverage* to provide for automatic compound inflation increases.

Changes Made in the Coverage

The following benefit is added to your *Long Term Care Coverage*.

Inflation Protection

Your benefits will automatically increase on the anniversary of the Effective Date of your *Coverage*. These increases will occur even if you are receiving benefits. Each year, all benefits increase by 5% compounded annually, rounded to the nearest dollar. Your *Lifetime Maximum* will also increase accordingly. Your remaining *Lifetime Maximum* is equal to your increased *Lifetime Maximum* less the sum of all benefits paid on your behalf during the period your *Coverage* was in effect.

If your *Coverage* ends and is later reinstated as described in the Certificate, benefits will be increased as if *Coverage* had remained in effect.

An example of the increasing benefit, based upon an initial \$100 *Daily Maximum* for *Nursing Home Care* and a *Lifetime Maximum* of \$109,500 is shown below.

Long Term Care Coverage Anniversary	Multiplicative Factor	Daily Maximum for Nursing Home Care	Lifetime Maximum
Year 1	1.0500	\$105	\$114,975
Year 2	1.1025	\$110	\$120,450
Year 3	1.1576	\$116	\$127,020
Year 4	1.2155	\$122	\$133,590
Year 5	1.2763	\$128	\$140,160
Year 10	1.6289	\$163	\$178,485
Year 15	2.0789	\$208	\$227,760
Year 20	2.6533	\$265	\$290,175

Shown for illustration purposes only.

Your Confirmation Statement will indicate if you have selected this Rider.

Canceling this Rider

If you want to cancel this rider, you must send a written request to the Long Term Care Customer Service Center. The address is shown in your Certificate. If you cancel this Rider, your benefits will revert to the Benefit Option you choose when you enrolled. Also, the premium charged will be based on your age when you enrolled for Coverage.

Additional Coverage Features

<A>. Guarantee Purchase Option

Every three years you will be offered the opportunity to increase your benefits to keep up with inflation. If you accept the offer, the amount of the additional benefit shall be the difference between your existing benefits and those benefits compounded annually at a rate of five percent for the period beginning with the purchase of your existing benefits and extending until the year in which the offer is made. Benefits will be rounded to the nearest dollar.

Your *Lifetime Maximum* will also increase accordingly. Your remaining *Lifetime Maximum* is equal to your increased *Lifetime Maximum* less the sum of all benefits paid on your behalf during the period your *Coverage* was in effect.

Your age on the Effective Date of the increase will be used to determine the additional separate premium for the increased *Coverage*. Therefore, your premium will increase each time you accept an inflation protection offer.

You do not have to provide evidence of insurability to take inflation increases. However, if you decline the previous two offerings made to you, and then want to increase *Coverage*, you will be required to submit satisfactory evidence of insurability the next time you accept an offer.

You will be offered the increase in *Coverage* even if you meet the **Benefit Eligibility Criteria**.

An example of the increasing benefit, based upon an initial \$100 Daily Maximum for Nursing Home Care, a Lifetime Maximum of \$109,500 and a 5% annually compounded increase is shown below. The amounts shown assume each offer has been accepted.

Long Term Care Coverage Anniversary	Multiplicative Factor	Daily Maximum for Nursing Home Care	Lifetime Maximum
Year 3	1.1576	\$116	\$127,020
Year 6	1.3401	\$134	\$146,730
Year 9	1.5513	\$155	\$169,725
Year 12	1.7959	\$180	\$197,100
Year 15	2.0789	\$208	\$227,760
Year 18	2.4066	\$241	\$263,895
Year 21	2.7860	\$279	\$305,505

Shown for illustration purposes only.

. Restoration of Benefits

All benefits paid under this *Coverage* are deducted from your *Lifetime Maximum* (unless otherwise indicated). However, your *Lifetime Maximum* benefit may be

restored. If as a result of a reassessment, you have no limitations performing an *Activity of Daily Living* or a *Severe Cognitive Impairment*, and you do not attempt to access benefits, submit a claim, or incur *Eligible Charges* for a period of six months from the date of reassessment, your *Lifetime Maximum* benefit will be restored. Your *Lifetime Maximum* benefit will be restored to the level then in effect as if you had never made a claim or received benefits under this *Coverage*.

<C>. Changing Plans

You may make a written request to change your Plan while it is in force. If you choose a higher Plan, you must complete another Enrollment Form. This form can be obtained by calling the Long Term Care Customer Service Center at 1-800-732-0416. *Prudential* will review your request and determine whether you are accepted for the higher Plan. If your request is denied, you will be sent a written notice that explains why you were not accepted. You are not required to provide evidence of insurability if you are decreasing your Plan.

If you change your Plan, your premium will be adjusted. You will be sent a notice confirming the Effective Date of the new Plan.

<D>. Contingent Non-Forfeiture Provisions

The following Contingent Non-Forfeiture provisions apply to you if:

- 1) The Non-Forfeiture Benefit Rider is not part of your Policy, or
- 2) You have purchased the Non-Forfeiture Benefit Rider, but your *Coverage* ends before its third year anniversary and the Non-Forfeiture Benefit Rider is not yet in effect or unless you have experienced a *Substantial Premium Increase* prior to the third year anniversary.

These provisions change your *Long Term Care Coverage* to provide options to you in the event your *Coverage* ends following a *Substantial Premium Increase*.

A *Substantial Premium Increase* is one that results in a cumulative increase to your initial annual premium that is equal to or exceeds a certain percentage of that premium. It does not include premium increases which result from a voluntary purchase of additional *Coverage*. The percentage is based on your Age as of the Effective Date stated in your Confirmation Statement and is shown in the table below.

SUBSTANTIAL PREMIUM INCREASE TABLE			
AGE AS OF EFFECTIVE DATE	PERCENT OF INCREASE	AGE AS OF EFFECTIVE DATE	PERCENT OF INCREASE
Less than 30	200%	72	36%

Contingency Options -- You will be notified of any *Substantial Premium Increase* at least 60 days prior to such change. The notice will include the amount of the premium and its due date, and the following contingency options in the event of lapse.

- 1) Reduced benefit options at the same premium, without undergoing medical underwriting. Or
- 2) A lesser Lifetime Maximum, with no further premium payment required. You will have 120 days following the premium due date to elect this option. Under this option, the same Daily Maximum benefits in effect at the time of lapse will be payable, but the Lifetime Maximum will be equal to the greater of:
 - (a) The total amount of premiums paid for your *Coverage*. Or
 - (b) 30 times the *Daily Maximum* for *Nursing Home Care* at the time of lapse.

The total of all benefits paid while your *Coverage* is in premium paying status and in the paid up status will not exceed the *Lifetime Maximum* which would have been payable if your *Coverage* did not lapse.

Option 2 will automatically take effect if:

- 1) Your *Coverage* lapses within 120 days of the due date of the *Substantially Increased Premium*; and
- 2) You have not made an election.

Coverage Exclusions

A. Limitations and Exclusions

- 1) Treatment provided in a government facility, unless a charge is made and the insured is legally obligated to pay; services for which benefits are available under *Medicare* or other governmental program, except *Medicaid*; any state or Federal workers' compensation, employer's liability or occupational disease law; or a motor vehicle no-fault law.
- 2) Illness, treatment, or medical condition arising out of War or Acts of War or your participation in a Felony, Riot or Insurrection.
- 3) Self-inflicted Injury or Suicide. Charges arising from intentionally self-inflicted injury or attempted suicide, while sane or insane.
- 4) Services and Supplies Outside the United States. Charges for services or supplies outside of the United States and its possessions.
- 5) Treatment for Alcoholism or Drug Addiction. Charges in connection with the treatment of alcoholism or drug addiction.
- 6) First Party Benefits under Pennsylvania's Motor Vehicle Liability Insurance Law. Charges for services and supplies for which benefits are payable as first party benefits under Pennsylvania's Motor Vehicle Liability Insurance Law.

B. Pre-existing Conditions Exclusion

Benefits will not be paid for charges made in connection with your *Pre-existing Conditions* for six months after your Effective Date. This is a condition for which a health care provider gave you medical advice, treated you or recommended treatment within six months before the Effective Date.

If you purchase this *Long Term Care Coverage* to replace another *Long Term Care* policy or certificate, except with respect to a voluntary increase in benefits elected by you or the Group Contract Holder *Prudential* will waive this limitation.

If you were required to answer questions about your health when you applied for this *Long Term Care Coverage*, the *Pre-existing Condition* exclusion does not apply to you.

Claim Rules

We encourage you and your provider to send timely proof of loss to *Prudential*. This is important to you because the benefits *Prudential* pays under the Group Contract are charged against your *Lifetime Maximum*. This means that if claim submission is delayed, you may not know how much *Coverage* remains in your *Long Term Care* plan. Your receipt of benefits also affects your premium waiver. Premiums may become due and payable if *Prudential* is unaware of your claim status. If we do not receive timely proof of loss, premiums may be due even if you would have been eligible for the **Waiver of Premium** benefit.

Benefits are paid when *Prudential* receives satisfactory proof of loss. An explanation of benefits notice, which explains the determination of your claim, will be sent to you within 15 days from the date *Prudential* receives proof of your loss. You can choose whether you want to receive the *Coverage* payments or have them paid directly to the service provider. *Prudential* will need copies of your *Plan of Care* and the provider's bill indicating that you have received the services, as well as the Claim Form stated below. The bill must show the date, the name of the person who received the service, each type of service received and the charge for that service. The address to which you submit the bills is on the Claim Form. If you have any questions about the address or would like additional Claim Forms, you can call 1-800-732-0416. Details of the specific claim processes are stated fully in the provisions below.

A. Notice of Claim

Written notice of claim must be given to *Prudential* within 20 days after the occurrence or commencement of any loss covered by the *Group Contract*, or as soon thereafter as is reasonably possible.

Notice given by or on behalf of the insured to The Prudential Insurance Company of America, at P. O. Box 8526, Philadelphia, PA 19101, or to its authorized agent, with information sufficient to identify the insured, shall be deemed notice to *Prudential*.

B. Claim Forms

Upon receipt of a notice of claim, *Prudential* will furnish to the claimant such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished within 15 days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of the *Group Contract* as to proof of loss upon submitting, within the time fixed in the Certificate for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

C. Proof of Loss

Written proof of loss must be furnished to *Prudential* at its office in case of claim for loss for which the *Group Contract* provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which *Prudential* is liable and, in case of claim for any other loss, within 90 days after the date of such loss.

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

D. Time of Payment of Claims

Benefits payable under the *Group Contract* for any loss other than loss for which the *Group Contract* provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which the *Group Contract* provides periodic payment will be paid monthly. Any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

E. Payment of Claims

Any accrued indemnities unpaid at the Insured's death may, at *Prudential's* option, be paid to the Insured's estate. All other indemnities will be payable to the Insured.

If any indemnity of the *Group Contract* shall be payable to the estate of the Insured, or to an Insured who is a minor or otherwise not competent to give a valid release, *Prudential* may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Insured who is deemed by the *Prudential* to be equitably entitled thereto. Any payment made by *Prudential* in good faith pursuant to this provision shall fully discharge *Prudential* to the extent of such payment.

Subject to any written direction of the Insured in the Enrollment Form or otherwise, all or a portion of any indemnities provided by the *Group Contract* on account of nursing services may, at *Prudential's* option and, unless the Insured requests otherwise in writing not later than the time of filing proof of such loss, be paid directly to the entity or person rendering such services; but it is not required that the service be rendered by a particular entity or person.

F. Physical Examination

Prudential, at its own expense, has the right to examine you. *Prudential* may do this when and as often as is reasonable while your claim is pending. However, a physical examination will not be required more than once in any 90 day period.

G. Legal Action

No action at law or in equity shall be brought to recover on the *Group Contract* until 60 days after the proof described above is furnished. No such action shall be brought more than three years (five years in Kansas; six years in South Carolina) after the charges are incurred. For Florida residents, no such action shall be brought after the end of the applicable Florida statute of limitations from the time within which proof of loss is required. For Missouri residents, no such action shall be brought more than three years after the expiration of the period within which proof of loss must be furnished.

H. Appeals

You have the right to appeal decisions made about your claims. The explanation of benefits notice will explain the procedure you should follow if you choose to appeal a claim denial. You will have 60 calendar days from the date you receive the denial to submit a written appeal to *Prudential* at the address specified on the notice.

Prudential will send you a written acknowledgment of your letter within 10 days of its receipt. If no additional information is required and the appeal is denied, the acknowledgment will include a detailed explanation of the reasons for the denial, including reference to the *Group Contract* provision on which the denial is based.

If additional information is required, the acknowledgment will request the specific information needed.

Within 15 days of the receipt of the additional information, *Prudential* will notify you in writing of the decision concerning your claim. If the decision cannot be made within 15 working days from the date it receives all requested data, *Prudential* will notify you, giving the reasons more time is required. If the decision is not made within an additional 30 days, *Prudential* will notify you, at that time, and every 45 days thereafter, the reasons why additional time is needed for investigation of your claim. This notice will also state when a decision on the claim may be expected.

If you disagree with the appeal decision, you can request in writing within 60 days of the decision that the matter be submitted to the Claim Appeal Committee. This Committee includes, but is not limited to, clinical consultants, legal consultants and product management staff. After a thorough review, but not later than 15 days from the date all necessary information is received, the Committee will send you written notice of its decision.

When Your Insurance Ends

Your Insurance will end when the first of these occurs:

- 1) You fail to pay, when due, or within the **Grace Period**, any premium required for the *Coverage*. This will not apply if the premium is being waived in accordance with the **Waiver of Premium** provision.
- 2) You have exhausted your *Lifetime Maximum*.

A. Reinstating Coverage

If your premium is not paid within the time allowed, your *Coverage* will lapse. If *Prudential* later accepts the past due and unpaid premium, without an enrollment form for reinstatement, your *Coverage* will be reinstated.

If *Prudential* requires an enrollment form for reinstatement, you will be given a conditional receipt for the premium. If such enrollment form is approved, your *Coverage* will be reinstated as of the approval date. Lacking such approval, the *Coverage* will be reinstated on the 45th day after the date of the conditional receipt unless *Prudential* has previously written you of its disapproval. The reinstated *Coverage* will cover only loss that results from:

- 1) an injury sustained after the date of reinstatement; or
- 2) a sickness that starts more than 10 days after the date of reinstatement.

In all other respects, your rights and *Prudential's* rights under your *Coverage* will remain the same, subject to any provisions noted on or attached to the reinstated Certificate.

In addition, if due to your *Chronic Illness or Disability*, you fail to pay your premium and your *Coverage* ends for this reason, you may be eligible to reinstate your *Coverage*. You or your representative may make a request for reinstatement within five months of the date premiums were due. Your *Chronic Illness or Disability* must be confirmed by *Prudential*. See the **Benefit Eligibility Criteria** under Section C of the **Long Term Care Coverage** provisions for details.

Call the Long Term Care Customer Service Center at 1-800-732-0416 to determine if your *Coverage* can be reinstated.

If your *Coverage* can be reinstated, you must pay the past due premiums. Upon reinstatement, you will have the same level of *Coverage* you had before your *Coverage* ended.

B. Extension of Benefits

If your *Coverage* ends while you are confined in a *Nursing Home* or an *Assisted Living Facility*, using your *Bed Reservation* benefits, or confined in a *Hospice*, benefits will continue for the duration of that uninterrupted stay. Your confinement must have started while this *Long Term Care Coverage* was in effect. Benefits will be extended until the earlier of:

- 1) The date on which you no longer incur *Eligible Charges* for *Nursing Home* care or care in an *Assisted Living Facility*, *Bed Reservation*, or inpatient *Hospice Care*.
- 2) The date you reach the *Lifetime Maximum*.

During this extension of benefits period, you will be considered covered under this Certificate for purposes of the **Waiver of Premium** provision.

C. Rescinding Your Coverage - Incontestability

Your acceptance for this *Long Term Care Coverage* is based on information furnished on your Enrollment Form. All statements made by you shall be deemed representations and not warranties. These statements will not be used in a contest to avoid this *Coverage* or reduce benefits unless

- 1) It is in a written statement signed by you.
- 2) A copy of that statement is or has been furnished to you.

If this information misrepresented you or your health status, and as a result, *Prudential* offered you *Coverage* which you otherwise would not have been offered, *Prudential* can rescind your *Coverage*, or deny an otherwise valid claim. Your *Coverage* can be rescinded in this situation within six months of your Effective Date.

If your *Coverage* has been in effect at least six months, but less than two years, *Prudential* can also rescind your *Coverage* or deny an otherwise valid claim. This can be done if all the following apply.

- 1) Information on your Enrollment Form misrepresented you.
- 2) As a result, *Prudential* offered you *Coverage* which you otherwise would not have been offered.
- 3) The misrepresentation pertains to the condition for which benefits are claimed.

After two years, your *Coverage* can be rescinded if *Prudential* can show that relevant facts relating to your health were knowingly and intentionally misrepresented.

These provisions also apply whenever you purchase additional *Coverage* and provide additional evidence of insurability. For example, if you choose a higher Plan, that portion of your *Coverage* could be rescinded. If your additional *Coverage* is rescinded, benefits will be paid according to the *Daily Maximums* in effect before the increase.

If you realize there is an inaccuracy in your Enrollment Form, you should notify *Prudential* before the end of the two-year period. This will help to assure you have the *Coverage* when you need it.

Long Term Care Coverage is underwritten by The Prudential Insurance Company of America.

Coverage under Prudential's Long Term Care Coverage is subject to all applicable laws and regulations.
