- (C) It is the responsibility of the Contractor to ensure that the ACH information contained in the Commonwealth's Central Vendor Master File is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

To receive reimbursement under this Contract, the Contractor shall submit requests for payment based on the Contractor's estimate of expenditures, at intervals as determined by the Contractor to meet disbursement needs. Unless otherwise instructed by the Department, this estimate may not exceed the current disbursement needs of the Contractor in order that the amount of cash on hand and available to the Contractor is as close to daily needs as administratively feasible. Said account shall be insured by the FDIC.

Subject to applicable rules and regulations and to the provisions of this article, funds hereunder shall be continuously invested and reinvested and/or deposited and redeposited by the Contractor, in accordance with applicable state laws, with a view toward maximizing yield and minimizing the instances of uninvested funds.

All activities authorized by this Contract shall be performed in accordance with applicable statutes, regulations, conditions, directives, guidelines and such additional requirements as may be attached hereto as Appendix C or are otherwise provided by the Department. The Contractor acknowledges that this Contract is subject to all requirements set forth herein and further agrees that it will comply with future requirements determined by the Department as necessary.

(a) Compliance with State Statutes and Regulations:

The Contractor also agrees to comply with all applicable state statutes and regulations.

(b) Nondiscrimination/Sexual Harassment Provisions:

During the term of this Contract, the Contractor agrees as follows:

- (1) In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the Contract or any subcontract, the Contractor, subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

- (5) The Contractor and each subcontractor shall furnish all necessary employment documents and records to and permit access to their books, records, and accounts by the Department and the Bureau of Contract Administration and Business Development, for purposes of investigation, to ascertain compliance with provisions of this Nondiscrimination/Sexual Harassment Clause. If the Contractor or any subcontractor does not possess documents or records reflecting the necessary information requested, the Contractor or subcontractor shall furnish such information on reporting forms supplied by the Department or the Bureau of Contract Administration and Business Development.

- (6) The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.
- (7) The Commonwealth may cancel or terminate the Contract, and all money due or to become due under the Contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the Department may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

(c) Compliance with the State Contractor Responsibility Program:

For the purpose of these provisions, the term Contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee, or subgrantee, who has furnished or seeks to furnish goods, supplies, services, or leased space, or who has performed or seeks to perform construction activity under contract, subcontract, grant, or subgrant with the Commonwealth, or with a person under contract, subcontract, grant, or subgrant with the Commonwealth or its state-affiliated entities, and state-related institutions. The term Contractor may include a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other entity of the Commonwealth.

- (1) The Contractor must certify, in writing, for itself and all its subcontractors, that as of the date of its execution of any Commonwealth contract, that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with the bid/proposal, a written explanation of why such certification cannot be made.
- (2) The Contractor must also certify, in writing, that as of the date of its execution, of any Commonwealth contract it has no tax liabilities or other Commonwealth obligations.
- (3) The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Department if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- (4) The failure of the Contractor to notify the Department of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.

- (5) The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

- (e) Compliance with The Americans with Disabilities Act:

Pursuant to federal regulations promulgated under the authority of The Americans With Disabilities Act, 28 C.F.R. §35.101 et seq., the Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Contract or from activities provided for under this Contract. As a condition of accepting and executing this Contract, the Contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C.F.R. §35.130, and all other regulations promulgated under Title II of The Americans With Disabilities Act which are applicable to the benefits, services, programs and activities provided by the Commonwealth through contracts with outside contractors.

The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth from all losses, damages, expenses, claims, demands, suits and actions brought by any party against the Commonwealth as a result of the Contractor's failure to comply with the provisions of the above paragraph.

- (f) Reimbursement for Travel and Per Diem:

Reimbursement to the Contractor for any travel, lodging or meals under this Contract shall be at or below state rates, unless the Contractor has higher rates which have been approved by its officers/officials, and published prior to entering into contract

negotiations with the Commonwealth. Documentation in support of travel and per diem will be the same as required of state employees. Higher rates must be supported by a copy of the minutes or other official documents, and submitted to the Department.

  - (10) The Contractor, upon the inquiry or request of the Inspector General of the Commonwealth or any of that official's agents or representatives, shall provide, or if appropriate, make promptly available for inspection and copying, any information of any type or form deemed relevant by the Inspector General to the Contractor's integrity or responsibility, as those terms are defined by the Commonwealth's statutes, regulations, or management directives. Such information may include, but shall not be limited to, the Contractor's business and financial records, documents or files of any type or form which refer to or concern this Contract. Such information shall be retained by the Contractor for a period of three (3) years beyond the termination of the Contract unless otherwise provided by law.
  - (11) For violation of any of the above provisions, the Commonwealth may terminate this and any other agreement with the Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these provisions, claim damages for all expenses incurred in obtaining another contractor to complete performance hereunder, and debar and suspend the Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or nonuse of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation or otherwise.
- (I) Compliance with the Prohibition of Illegal Alien Labor on Assisted Projects Act.

Pursuant to the Act of May 11, 2006 (P.L. \_\_\_\_, No. 43), known as the Prohibition of Illegal Alien Labor on Assisted Projects Act, the Contractor shall not knowingly employ, or knowingly permit any of its subcontractors to knowingly employ, the labor services of

- (b) the Contractor or any of its subcontractors are sentenced under Federal law for an offense involving knowing use of labor by an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania,

the Contractor shall:

- (a) repay to the Department all grant funds received by the Contractor from the Department pursuant to this Contract, and
- (b) be ineligible to apply for any Commonwealth grant or loan for a period of two years.

#### **ARTICLE VI ASSIGNMENT, TRANSFER, COLLATERAL USE**

This Contract shall be binding upon and inure to the benefit of the Department, the Contractor, and their respective successors and assigns, except that the Contractor may not assign or transfer its rights hereunder without the prior written consent of the Department. Approval of an assignment does not establish any legal relationship between the Commonwealth or the Department and any other third party, and under no circumstances shall the Commonwealth be held liable for any act or omission committed pursuant to such an assignment.

#### **ARTICLE VII INDEPENDENT CONTRACTOR**

Notwithstanding anything contained herein to the contrary, the rights and duties hereby granted to and assumed by the Contractor are those of an independent contractor only. Nothing contained herein shall be so construed as to create an employment, agency or partnership relationship between the Department and the Contractor.

#### **ARTICLE VIII INTEREST OF PARTIES AND OTHERS**

No officer, member, employee, independent contractor or elected official of the Commonwealth and no member of its governing body who exercises any functions or responsibilities in the review or approval of activities being performed under this Contract shall participate in any decision relating to this Contract which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. Nor shall any such officer, member, elected official or employee of the

Commonwealth or any member of its governing body have any interest direct or indirect in this Contract or the proceeds thereof.

The Contractor covenants that the Contractor (including directors, officers, members and employees of the Contractor) presently has no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of activities required to be performed under this Contract. The Contractor further covenants that no person having any such interest shall be employed in the performance of activities for this Contract.

#### **ARTICLE IX SUBCONTRACTS**

The Contractor shall not execute or concur in any subcontract with any person or entity in any respect concerning the activities herein without prior written approval of the Department. Such prior written approval shall not be required for the purchase by the Contractor of articles, supplies, equipment and activities which are both necessary for and merely incidental to the performance of the work required under this Contract. The Contractor shall not execute or concur in any subcontract declared disapproved by the Department. A subcontractor shall be automatically disapproved, without a declaration from the Department, if the subcontractor is currently or becomes suspended or debarred by the Commonwealth or the federal government. In any event, the Contractor shall be responsible for the quantity and quality of the performance of any of its subcontracts.

All subcontracts must contain provisions of nondiscrimination/sexual harassment as specified in the Article entitled Compliance with Applicable Statutes and Department Regulations, subsection (b). In addition, all subcontracts involving the pass through of Contract funds to subrecipients must include the audit requirements contained in the Article entitled Contract Audit and Closeout Requirements. The Contractor is responsible for ensuring that all required audits of subcontractors are performed, and for resolving any findings contained in the audit reports. All costs deemed unallowable in the subcontract audit report are required to be returned to the Department, through the Contractor.

#### **ARTICLE X BIDDING REQUIREMENTS**

If the Contractor is a political subdivision or other entity for which open and competitive bidding procedures have been established by law, the Contractor shall comply with those procedures if they are applicable to the project being funded with the grant funds. Otherwise, the Contractor shall comply with open and competitive bidding procedures in awarding any and all grants, subgrants, contracts, subcontracts or other agreements in excess of \$10,000.00 for construction, reconstruction, demolition, alteration and/or repair, for acquisition of machinery and equipment, or for engagement of the services of a professional consultant, when said grants, subgrants, contracts, subcontracts or other agreements are funded in whole or at least 50% in part with funds made available under this Contract. The Department may require the Contractor to submit proof of compliance with said procedures, and failure to provide such proof to the satisfaction of the Department may result in termination of the Contract and repayment of all or a portion of the funds available under this Contract. Upon written request and for good cause shown, the Department may, at the Department's sole discretion, permit the Contractor to use an alternative procedure for solicitation of bids not inconsistent with law.

## **ARTICLE XI RECORDS**

The Contractor, using accepted procedures, shall maintain at its principal office or place of business complete and accurate records and accounts including documents, correspondence and other evidence pertaining to costs and expenses of this Contract, and reflecting all matters and activities covered by this Contract.

At any time during normal business hours and as often as the Department deems necessary, the Contractor shall make available for inspection by the Department, the Commonwealth Auditor General, the Commonwealth Attorney General, or the Comptroller General of the United States, or their duly authorized representative, all of its records with respect to all matters covered by this Contract and will permit the Department to audit, examine and make copies of such records.

All required records shall be maintained by the Contractor for a period of three (3) years from the date of final audit or close out of this Contract by the Department, except in those cases where unresolved audit questions may require maintaining some or all records for a longer period. In such event, records shall be maintained until all pending matters are resolved.

## **ARTICLE XII PROGRESS REPORTS**

The Contractor and its subcontractors shall furnish to the Department such progress reports in such form and quantity as the Department may from time to time require, including, but not limited to, status reports of the project, project account statements, certificates, approvals, proposed budgets, invoices, copies of all contracts executed and proposed, employment placements, follow up reports and any and all other information relative to the Contract as may be requested. The Department or its representative shall have the right to make reasonable inspections to monitor the Contractor's performance under this Contract.

In the event that the Department determines that the Contractor or its subcontractor(s) has not furnished such reports as required by the Department, the Department, by giving written notice to the Contractor, may suspend payments under this Contract until such time as the required reports are submitted.

## **ARTICLE XIII ACKNOWLEDGMENT OF COMMONWEALTH ASSISTANCE**

Any publication concerning a project financed by the Department will acknowledge Commonwealth financial assistance as follows:

"This Project was financed [*in part*] by a grant  
from the Commonwealth of Pennsylvania,  
Department of Community and Economic Development"

Signs acknowledging said Commonwealth financial assistance or administrative participation will be erected in the project area as soon as possible after the effective date of this Contract. Acknowledgment of Commonwealth financial assistance may be combined with acknowledgment of other funding sources on project signs or in project publications.

**ARTICLE XIV  
CONTRACT AUDIT AND CLOSEOUT REQUIREMENTS**

This Contract is funded entirely with state funds. If the amount of the Contract is less than \$100,000.00 the Contractor is exempt from all audit requirements and should refer to the procedures issued by the Department for instructions on closeout of this Contract.

If the amount of the Contract is \$100,000.00 or more, a final audit of the entire Contract (Project Audit) is required by the Department within 120 days after the termination of project activities but no later than 120 days after the Contract termination date. This audit is the responsibility of the Contractor. Audits performed under the Single Audit Act of 1984 will not be accepted in lieu of a Project Audit required under this Contract.

The Project Audit must be performed by a certified public accountant. The Contractor is responsible for securing a qualified auditor, however, the Department reserves the right of selection or prior approval of the independent auditor to perform the audit. The Project Audit must be a financial audit conducted in accordance with the provisions of the U.S. General Accounting Office's Government Auditing Standards, current revision, and contain all the requirements detailed in the Department's "Procedures for Closeout of Contracts." Unless otherwise authorized by the Department, the audit must include those funds received under this Contract as well as any required private match funds and encompass the entire Contract Activity Period. Other grant periods may also be specified at the discretion of the Department and the Department reserves the right to designate additional compliance factors for state financial assistance programs.

The Department will determine any overpayment or underpayment and any additional auditing deemed necessary and inform the Contractor of the settlement amount.

The Contractor agrees that if the final audit of the Contract as accepted by the Department or any duly authorized representative discloses that the full amount of the Contract was not required to complete the project or that funds were improperly used, then the funds unused, improperly used or expended but not required to complete the project, shall be repaid to the Department with interest unless otherwise directed in writing by the Department.

The Commonwealth reserves the right for state agencies or their authorized representative to perform additional audits of a financial or performance nature if deemed necessary. Any such additional audit work will rely on work already performed by the Contractor's auditor, and the costs for any additional work performed by the state or federal agencies will be borne by those agencies at no additional expense to the Contractor.

All terms and conditions of this Contract will remain in effect and be binding upon the parties thereto until a final audit is submitted and accepted by the Department.

None of the above provisions under this article exempts the Contractor from maintaining records of state financial assistance programs or providing upon request, access to such records to the Department or its authorized representatives.

The submission of a Single Audit in accordance with the Single Audit Act and related Circulars does not exempt the Contractor from complying with all Project Audit and any closeout procedures as may be issued by the Department, including, but not limited to, the submission of a financial statement of the project after termination of project activities.

For additional information on audit and general closeout requirements, the Contractor should refer to the procedures for closeout of contracts issued by the Department.

#### **ARTICLE XV TEMPORARY SUSPENSION OF THE CONTRACT**

Upon written notice and at any time during the period covered under this Contract, the Department may suspend payments and/or request suspension of all or any part of the Contract activities. The Department may give such notice to suspend for the following reasons:

- (a) Violations of laws and regulations, audit exceptions, misuse of funds, failure to submit required reports or when responsible public officials or private citizens make allegations of mismanagement, malfeasance or criminal activity.
- (b) When, in the opinion of the Department, the activities cannot be continued in such manner as to adequately fulfill the intent of statutes or regulations due to an act of God, strike or disaster.

During the term of suspension, the Department and Contractor shall retain and hold available any and all funds previously approved for application to the activities. During this period all such funds held by the Contractor shall be placed in an interest bearing program expenditures account. The Contractor may not expend any such funds during the period that the Contract is suspended except pursuant to order of a court of competent jurisdiction. The Contractor shall have the right to cure any default or other circumstance that is the basis for suspension of this Contract within a reasonable period of time.

This Contract is also conditioned upon complete performance by the Contractor of past agreements or contracts between the Department and the Contractor. Complete performance includes the Contractor's timely submission of the required final audit of past agreements or contracts to the Department. In the event that the Department determines that there has been incomplete performance of past agreements or contracts by the Contractor, the Department, by giving written notice to the Contractor, will suspend payments under this Contract until such time as the Contractor has fulfilled its obligations under past agreements or contracts to the satisfaction of the Department. When the Contractor has fulfilled its obligation under past agreements or contracts to the Department's satisfaction, the Department will resume payments under this Contract.

#### **ARTICLE XVI TERMINATION OF THE CONTRACT**

The Department may terminate this Contract at any time for its convenience or for any other reason if it determines that termination is in its best interests, or is otherwise appropriate, by giving written notice to the Contractor of such termination and specifying the effective date thereof. Termination pursuant to this section shall not be applicable to funds that the Contractor is legally or contractually obligated to pay as a result of project activities entered into prior to the date that it receives written notice of termination. All grant monies not legally or contractually obligated, plus accrued interest, shall be returned to the Department on or before the effective date of termination and all project records shall be made available to the Department.

**ARTICLE XVII  
ENTIRE AGREEMENT**

This Contract, when signed by all the parties hereto, constitutes the full and complete understanding and agreement of the parties of its express terms as provided above.

No provision of this Contract shall be construed in any manner so as to create any rights in third parties not party to this Contract. It shall be interpreted solely to define specific duties and responsibilities between the Department and the Contractor and shall not provide any basis for claims of any other individual, partnership, corporation, organization or municipal entity.

**ARTICLE XVIII  
AMENDMENTS AND MODIFICATIONS**

A properly executed Contract amendment is required to change the termination date of this Contract, to change the Contract Activity Period, to amend the grant amount or to make major changes in the approved program scope, objectives or methods. Such an amendment must be executed if there is a significant change in the activities to be conducted under this Contract. Other revisions to the project or Contract budget may be made upon written approval from the Department after prior written request of the Contractor.

**ARTICLE XIX  
SEVERABILITY**

Should any section or any part of any section of this Contract be rendered void, invalid or unenforceable by any court of law, for any reason, such a determination shall not render void, invalid, or unenforceable any other section or part of any section of this Contract.

**ARTICLE XX  
CONSTRUCTION**

This Contract shall be interpreted and construed in accordance with federal law, where applicable, and with the laws of the Commonwealth. All of the terms and conditions of this Contract are expressly intended to be construed as covenants as well as conditions. The titles of the sections and subsections herein have been inserted as a matter of convenience and reference only and shall not control or affect the meaning or construction of any of the terms or provisions herein.

**ARTICLE XXI  
NONWAIVER OF REMEDIES**

No delay or failure on the part of the Department in exercising any right, power or privilege hereunder shall affect such right, power or privilege; nor shall any single or partial exercise thereof or any abandonment, waiver, or discontinuance of steps to enforce such a right, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies of the Department hereunder are cumulative and concurrent and not exclusive of any rights or remedies which it might otherwise have. The Department shall have the right at all times to enforce the provisions of this Contract in accordance with the terms hereof notwithstanding any conduct or custom on the part of the Department in refraining from so doing at any time or times. The failure of the Department at any time or times to enforce its rights under such provisions, in accordance with the same, shall not be construed as having created a custom in any way or manner contrary to specific provisions of this Contract or as having in any way or manner modified or waived the same.

DEPAUL SCHOOL FOR HEARING & SPEECH

Project: Building Renovation Project

Amount: \$150,000

DePaul School for Hearing and Speech, established in 1908, is a not-for-profit State Approved Magnet School committed to the auditory education and personal development of deaf and hard of hearing children, from birth to age 14, in a non-discriminatory manner.

DePaul is one of only 46 schools in North America using the auditory/oral educational method to teach children to use whatever hearing they have, in combination with lip-reading and contextual cues (speech-reading) to understand and use spoken language. Virtually all of our students reach educational parity with their normally hearing peers and mainstream to regular educational settings by their middle school years with minimal supports.

82 students, 60 percent of whom are profoundly deaf, currently participate in our programs. DePaul provides home-based services for newborns and infants as well as home and center-based services for toddlers aged 18 to 36 months. The next segments are comprised of students in preschool, kindergarten and elementary programs. All students are provided a full scholarship.

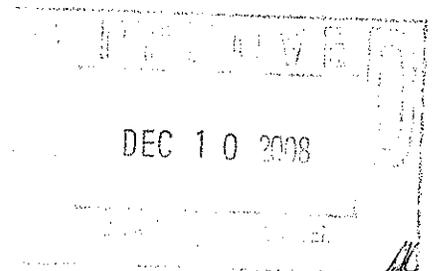

DePaul provides a full spectrum of clinical and support services for students and their families at no charge. This includes: speech and hearing therapy; physical therapy; occupational therapy; cochlear implantation/habilitation support; audiological testing, screening and equipment troubleshooting; developmental evaluations; psychological counseling and testing services; nursing and family education/support services.

DePaul is a progressive institution and has a history of offering innovative programs and services not available elsewhere. For instance, DePaul was the first State Approved School to accept (and habilitate) children with cochlear implants in the early 1990s. In 2005, DePaul established a center-based Toddler Program, the sole program of its type in the region for children aged 18 to 36 months.

Due to the unique curriculum of our educational offerings, parent demand and the scarcity of similar programs in the region, we expect steady growth in coming years, both in terms of students enrolled and faculty/support staff employed. DePaul is currently working with a Hayes Large Architect, a Pittsburgh-based architectural firm, to address space issues to ensure high quality service delivery. We plan to undertake renovations in the spring of 2009 to increase space for our clinical and educational programs by an additional 50 percent as well as augment meeting and faculty/administrative office areas.

The estimated costs associated with building renovations is approximately \$255,000. At this time, we respectfully ask the Commonwealth to assist us to complete the project by granting a \$150,000 towards the renovation costs.

Renovations \$150,000
