Re: Contract No. FDC-310-1676.2
HVAC Construction
Building Replacement Projects
Pine Grove Furnace State Park

Gentlemen:

Article 2 of your Agreement, dated November 8, 2007, addresses an Extension of Time, "in circumstances where the Contractor experiences delays in completing the project which are beyond their control". Additional time is necessary due to additional work added to your contract and because the buildings were not ready for you to perform your work as scheduled. Therefore, the contract completion date is extended to March 15, 2009.

You agree that no legally actionable claim shall accrue or be paid by the Department for any additional expenses or damages you may incur due to the extension of time being permitted by the Department or the consequent delay in the completion of the project caused thereby. Your acceptance and acknowledgement of the Department's approval of the request for a time extension constitutes a waiver of any such claim.

Please acknowledge agreement to this time extension by having W. Craig Eshenaur sign and date this letter and return it to the above address or fax it to 717-787-0320. An additional copy is provided for your files.

If you have any questions, do not hesitate to contact the Construction Management Section at 717-787-5055.

Sincerely,

Eugene J. Comoss, P.E. *For*
Director
